Mrs. W. T. Hayes Rites Saturday

Mrs. Lura Jane Hayes, 68, of Villas, died Thursday in Watauga County Hospital after a long illness.
 Mrs. Hayes, wife of William T. Hayes, was born in Watauga County to the late Joe and Betty Billings Ward.

Surviving in addition to her husband are four sons, Floyd Hayes of Hickory, Hoyle Hayes of Boone, Joe Hayes of Belle Glade, Fla., and Henry Hayes of Villas; two daughters, Mrs. John Herman of Villas and Mrs. Burl Greene of Boone; three sisters, Mrs. Etta Baird and Mrs. Maude Church, both of Valle Crucis, and Mrs. Eunice Henson of Villas; and 14 grandchildren.
 Funeral services were held at two o'clock Saturday afternoon at Brushy Fork Baptist Church, and burial was in Adams Cemetery.

Two-year-old Scotty poses with his grandfather, the Rev. C. O. Vance, on his birthday last week. Little Scotty, son of Mr. and Mrs. Martin Banner of Buncombe County, is a victim of heart disease. (Weston photo)

Local Child Has Had Heart Defect Since 6

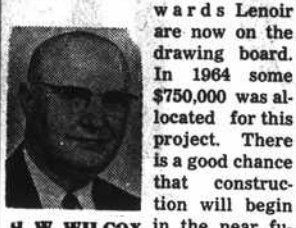

When he was six weeks old, Scotty Banner's parents learned that he had a heart defect—a transposition of the vessels.

Almost immediately, he underwent surgery to check the flow of blood to lungs and force more pure blood to his system. Now it is learned that an operation now being perfected by heart research is required to correct Scotty's blood flow.

His grandfather, the Rev. C. O. Vance, pastor of the Greenway Baptist Church in Boone, states that he believes the heart defect fund campaign has much spiritual significance in the lives of individuals, for profoundly important medical advances have been achieved through Heart Fund since its beginning in 1948.

ECHOES OF THE BLUE RIDGE Passing Lanes On 321 South May Be Started Before Long

BY HERMAN W. WILCOX
 Federal Highway 321 passing lanes between here and foot of Blowing Rock mountain towards Lenoir are now on the drawing board.

H. W. WILCOX

In 1964 some \$750,000 was allocated for this project. There is a good chance that construction will begin in the near future. This project came about when a committee from Boone and Blowing Rock, along with citizens of Lenoir met with Highway Commissioner, Jack Kirksey, of Morganton.

321 Extended To Johnson City
 About two years ago our efforts to have Federal Highway 321 extended to Johnson City via Sugar Grove and down Watauga River via Watauga Lake, paid off. This has become a very popular route, however, there is one real bottleneck in Tennessee just before reaching the Watauga Lake. Every effort by the citizens of our county should be put forth to persuade Tennessee to do something about this section of road. This is "a natural water route" to the Western part of our Nation.

What About 421?
 Indirect news comes to us that serious consideration is being given towards rebuilding Federal highway 421 between Boone and foot of the mountain in Wilkes county. This is indeed excellent news. We should do everything possible to encourage our State Highway Department to bring this about at the very earliest possible date. If you have ever traveled this road and become caught behind the traffic of trucks you then can realize the importance of this project.

Jerry Myers is Frosh President
 Jerry D. Myers of North Wilkesboro has been elected president of the freshman class at Appalachian State Teachers College following balloting which involved a runoff.

Myers, son of Mr. and Mrs. L. D. Myers, defeated Ron Moser of Asheville in a runoff election. Myers is an English major.

Douglas Carroll of Fayetteville was named vice president, also in a runoff. Caren Smith of Belmont won the secretary's position in another runoff and Sue Vernon of Winston-Salem was chosen treasurer in a second balloting.

Steve Smith of Burlington was elected representative to the Popular Programs Committee in the first election.

Carroll's guardian is Mrs. George Crumpler of Fayetteville. Mis Smith is the daughter of Mr. and Mrs. Warren L. Smith of Belmont. Miss Vernon is the daughter of Mr. and Mrs. Glen Vernon of Winston-Salem. Smith is the son of Mr. and Mrs. Thomas A. Smith of Burlington.

Huey Lester Wilson, 65, a former resident of Trade, Tenn., died Sunday at Glade Springs, Va. He was the son of the late Hugh and Malinda Jackson Wilson.

Surviving are two daughters, Ivalene and Josey Wilson; one son, George Wilson; one brother, I. D. Wilson of Trade.

Funeral services were held Wednesday at Friendship Baptist Church at 11 a.m. Burial was in the Wilson cemetery.

Embarassing
 Kansas City, Kan.—For the third time burglars broke into the home of Cecil Stomer and took about \$138 worth of property. At an earlier break-in, items worth \$1,300 were taken. It was not only costly to Stomer, but embarrassing since he was a detective.

Trades Florida For Boone

Not really, but after living in Florida for 15 years, Mrs. Beverly Russing says she's here to stay. She and her sons, Cole, age 11, Craig, 8, and Mike, six months, live on Poplar Hill Drive, and this winter was the first time the two older boys had seen snow. Cole and Craig began skiing lessons at Blowing Rock Lodge Saturday. Meanwhile back on the farm—at Villas—Mrs. Russing raises hogs for a living. Right now, she has 28 purebred Hampshires. Formerly she was a school teacher, and received her degree from the University of Florida. A native of Charlotte, Mrs. Russing has done feature work for a weekly newspaper in Boca Raton, Fla., and is currently a member of the Boone Coin Club. (Rivers photo)

4,500 Auto Tags Sold; Other Chamber News

The Chamber of Commerce reports 734 auto, 195 private trucks, 19 farm trucks, 25 trailers and 1 motorcycle sales for the week ending Saturday noon, Feb. 5, and a total for all classifications of 4,502 tags during 1966.

The grace period for use of 1965 tags ends at midnight, Feb. 15, and all who have not purchased their 1966 license tags are urged to do so before the deadline. Last year, so many failed to do so until the last two days and it resulted in the License Bureau staff having to work until late in the evenings to complete the reports which have to be mailed to Raleigh at the close of each day's business.

Correspondence pertaining to skiing and winter sports continue to grow daily. Inquiries come from as far away as the New York area all the way to Florida. Too, interest continues to grow in the Wagon Train and Horn in the West.

Washington To Memphis
 With the rebuilding of this section of Federal Highway 421 and completing the bottleneck on 321 we would have an excellent direct route from Washington, D. C. to Memphis, Tennessee, (which is the most direct route), and on to the West Coast. The way this area is growing, these projects become a "must" in our future road plans.
