

THE BOONE SIGN COMMITTEE HAS RECEIVED four Boone entrance signs from Clyde F. Smith of Spruce Pine. The picture shows the lettering of the signs although the shape of it and the texture of the wood does not show. The Design and Location Committee met Monday with Midas Wheeler, rock mason, to discuss prices of

rock work. David Spainhour will contact Ted Pease for guidance on a scale drawing. Finance Chairman Glenn Andrews says he is pleased with the donations which have come in so far, and urges groups and individuals to leave their contributions with him or the Boone Chamber of Commerce. (Staff photo)

Burl Ives To Serve During Heart Effort

It's Ives for longer lives. Oscar Award winning actor Burl Ives will serve as Honorary Chairman of the 1967 "Hope for Hearts" crusade of the North Carolina Heart Association.

The announcement was made by Bob Hope, national sponsor of the American Heart Association and a former honorary chairman of the "Hope for Hearts" crusade, at a meeting with state heart group leaders in Raleigh last week.

Ives, a rice patient at Durham where he is practically a full-time resident, has made the North Carolina Heart Association his leading non-professional interest during his stay in North Carolina. The well-known folksinger (and "Big Daddy" of "Cat On A Hot

Tin Roof") succeeds Andy Griffith as honorary chieftain of the North Carolina Heart Fund effort.
