## Blue Ridge Garden Club Has Luncheon

The Blue Ridge Garden Club met at the Daniel Boone Hotel Nov. 16. Hostesses for the luncheon were Mrs. H. M. Cooke, Mrs. J. H. Council and Mrs. D. L. Wilcox.

Mr. Homer Hurley of ASTC presented an informative study of the Eastern White Pine, Pinus Strobus. The White Pine has three definite characteristics: the cluster of five needles, the whitish-green color and the pendulous cones which appear after the tree is 30 to 40 years old. These tall, rapidly-growing trees are useful as timber and have played an important role in the development of our country. The pine is used for everything from ship masts to matchsticks.

The White Pine may be used as a specimen plant, in groups, or as a hedge, if kept trimmed. It is beautiful when young, graceful in middle age and majestic in its old age. The seed, which take about two years to mature, is a favorite food of squirrels.

Mrs. B. W. Stallings gave the program on Gardens of Europe. She showed color slides of the beautiful gardens throughout the 10 countries she visited on a Garden Study Tour last spring. Mrs. Stallings said she was constantly amazed at the growth of flowers, the perfect grooming and the abundance of flowers evident for sale. It was quite evident from the lovely pictures that these people love beauty, and we can learn much from them to help us make America more beautiful.

Mrs. Lee Reynolds reported that the Garden Council is sponsoring the anti-litter contest in the county schools and prizes will be given for essays and posters.

During the business session, plans were completed for the Silver Tea, which the Club will have Sunday, Dec. 11, 3-6 o'clock, at the home of Mr. and Mrs. Frank Payne. The theme will be "Christmas by Candlelight", and the offering will be used to present life memberships in the Garden Club of North Carolina to local club members. The Garden Club of North Carolina allots one-third of all life membership funds to the Daniel Boone Native Gardens.

After the business session, Mrs. Bob Snead introduced Mrs. Cecil Miller who demonstrated her technique of anti-queuing permanent flowers. Refreshments were then served to fifteen members by the hostess, Mrs. Joe Miller.

This being the last meeting of the year, all finished business was concluded, and plans were made to have the "Christ In Christmas" project with the business places in Boone again this year. The committee for this is: Mrs. Dean Meredith, Mrs. Roy Ruffy, and Mrs. A. E. South. The members were urged to help with the Bazaar on December 2 and 3. An opportunity was given for dues for 1967 to be paid and to subscribe to the General Federation Clubwoman.

The Program Chairman, Mrs. Ed Qualls, presented a guest speaker, Mrs. George B. Miles, a librarian, and wife of an ASTC Professor, who gave an interesting review of the book "My Appalachia" by Rebecca Caudill of Kentucky. This review was especially interesting to the Club because it deals with the cause of some of the poverty in a region of the Appalachians.

The members and guests were served delicious "thanksgiving" refreshments.
