# Friday Marks Opening Of Watauga Hi Grid Season

Friday night, Sept. 1, will mark the beginning of Watauga High School's third football season.

The Pioneers will play their first home game at 8 p.m. in Conrad Stadium against the Red Devils of Newton-Conover. The Pioneers will be depending heavily on boys who have moved from Junior Varsity to back up last year's graduates.

Probable starters for Friday night are Sonny Cook, fullback; Harry Yates, wingback; Mike Lentz, tailback; and Tommy Dotson, quarterback. The line will consist of J. C. Triplett, center; Allen Trivette and Danny Watkins, ends; Ted Greene and Kyle Hollars, tackles; and Andy High and Mark Wilson, guards.

Coaching the varsity team are Bob Poe as head coach; line coach, Bill Brown; and Jim Moore with the backfield. Ed Curlee is the student teacher assistant in football.

The team has been practicing since Aug. 7 and although they have been hampered by the rain this past week, their determination hasn't dampened at any time.

Last year the Pioneers tied the Red Devils 6-6. They're out to beat that record this season.

## Happy Valley Team Defeats Valle Crucis

Happy Valley defeated Valle Crucis with a score of 2-1 in a 10 inning pitcher's battle. Winning pitcher last week was Gerald Hightower; losing pitcher was Ted Craig, who pitched ten excellent innings, striking out 12 players and giving up six hits.

Happy Valley pitching got credit for 10 strikeouts. Valle Crucis now has won 3 games and lost 2.

Coach Bob Poe says, "I am very optimistic about this year's team, and I feel they have the potential to develop into a stronger team after several games' experience. The attitude of the boys has been very good through practice."

## Speaking Of Golf

BY JOE MAPLES

The Boone Golf Club has won the 1967 Pro-Amateur Championship of the Carolinas Golf Association in a tournament played at the Red Fox Country Club near Tryon last Friday. The local club was represented by Sam Adams, Sam

Travis, John Parker and myself and fired a best ball score from scratch of 64, eight under par. This proved to be good enough to edge the Charlotte Country Club by one shot for first place, on the par 72 layout.

The local team burned up the front nine with a best ball score of 30 to build up a two stroke lead that the other teams were unable to overcome. It was a great team victory as each player contributed timely putts when needed to keep things going.

Sam Travis made four birdies and shot the front side two under par, but it was a different story on the back. On one stretch of three holes, his score card read 9-2-9 as he posted nines of 34-47. John Parker also was under par on the front with a 35 as he also had several birdies and finished with a score of 78.

Sam Adams was a little off his game, yet came through with one birdie and several good pars when they were needed.

It was a fine victory and our team felt very proud after coming out on top of a 25-team field representing Carolina Golf Association member clubs from North and South Carolina.

Over six inches of very wet rain last week resulted in the local course being closed to play for almost five days in a row and after finally re-opening for the weekend, we were unable to allow carts. This is probably the wettest the course has ever been in nine years of operation. As a result, the qualifying round for the Club Championship tournament has been extended one week. This should give everyone ample time to complete their qualifying and also allow those of you who haven't started yet to do so. As things stand now, qualifying scores must be reported no later than this coming Sunday night.

Pairings will then be made and match play will get underway Monday through the following Sunday for the first round. Don't forget the Pro-Am. We still need several local amateurs to play with the visiting teams so call the golf shop and have your name put on the list.

## Schedule Of Football, 1967, Between Appalachian, Others

Coach Carl Messere will greet some 85 candidates for positions on Appalachian State's 1967 football team as the Mountaineers begin drills here on Friday.

Among those expected at the initial drill session are 27 lettermen, including 19 of last season's 22 starters on either offense or defense. Not returning this season are offensive end Bill Mauldin, defensive safetyman Wayne Byrd and offensive center Bill Wilczynski. Mauldin and Byrd graduated while Wilczynski dropped out of school for personal reasons.

Two other 1966 lettermen also won't return. Halfback Bill Bobo has joined the armed forces and end Craig Cooper will be kept inactive by injury.

Messere will drill the ASU squad twice daily until a couple of days prior to the season opener against Newberry here Sept. 16.
