

What Will You

HARVEST

In The

INDIAN SUMMER

Years Of Your Life?

Will your September years be under the anxious shadow of a dwindling income . . . too little cash reserves to meet the demands of a comfortable life?

Or

Will they be the carefree, sun-filled days you've dreamed of . . . When you can take it a bit easier, and find time for a lot of things you've never been able to do before?

For nearly half a century, Watauga folks have found the Watauga Savings & Loan Association the easiest, surest way to push back the clouds from their "Indian Summer" days

Make your start today . . . Deposit on a Systematic schedule every pay day, and soon you'll be surprised how much "Wampum" you've stored away. Better still, it goes to work for you here, earning a stout 4½% that's added to your savings twice a year.
