

we care

some of our customers are **nuts** about peanuts

They must be.

In fact, a lot of them must be because we buy over 40 million pounds of peanuts a year.

We sell millions of pounds of shell peanuts, more millions of pounds of canned and bagged peanuts. Our Ann Page Division uses tons of them in their candy kitchens and for making peanut butter.

Our Jane Parker Bakeries use their share, too, in specialty cakes and cookies.

If you're nuts about peanuts, come to A&P. You couldn't come to a better "nut house".

If you do, you may discover something else: We're nuts about our customers.

Is this a good reason for shopping A&P? It's one of many!
