if you bring home the bacon ...read this!

There's a secret to producing truly delicious bacon. Sugar-cure and smoke the side of bacon to that delicate point of perfection. Pack only the select slices.

There's a secret to buying truly delicious bacon, too. Look, of course, for lean slices... Look, too, for bright-colored slices... that's a good sign of freshness. And that's important, because with bacon, when freshness fades, flavor fades.

Here's something else you should know. You'll get those perfectly cured, lean, bright, select slices if you buy our Super-Right Bacon.

Super-Right regular or thick-sliced is our finest quality bacon, guaranteed to be the equal of or better than any bacon you can buy. The price? That's lean too!

Guaranteed to fatten the savings on your total food bill. When you think about it, shouldn't A&P be your store?
