# Appalachian Launches Football Season Against Newberry Sat.

Appalachian launches its 1967 football season here Saturday night against Newberry here Saturday night. Kneeling, left to right, are Mike Whitley of Greensboro, Jerry Willis of Forest City, Wayne Clawson of Boone, Tommy Langley of Washington, Bob Russell of Winston-Salem, Jim Corne of Duncan, S. C., and Bob Agle of Boone. Behind quarterback Pat Murphy of Kings Mountain are, left to right, Don Ferrell of Rock Hill, S. C., Dwight Kerr of Levittown, Pa., and Jackie Roten of Boone.

switches he has made. "The changes should help our passing game, especially," Messere said he also has been pleased with the improvement of defensive secondary performers during fall drill sessions. It was this same group which allowed opponent pass completions which resulted in four final-minute losses a year ago. Two members of the starting offensive lineup may be unable to see action Saturday night. Both fullback Dwight Kerr and guard Bobby Russell have sustained injuries in pre-season practice. "We expect Kerr to be ready, but we just don't know about Russell," Messere said. Russell is suffering from a pinched nerve in his neck. If he is not available, Jerry Hart will be his replacement. Should Kerr not be healed for the opener, freshman Bobby Billings is his likely substitute. Appalachian is expected to open with following lineup (weights in parentheses):

DEFENSE—Gwyn Brooks (200) and Terry Schroeder (190) at ends, Joe Stalls (200) and Jack Underwood (210) at tackles, Bill Hanner (175) and Jim Barnes (180) at guards, Jim Clements (200) and Mark Gilleland (215) at linebackers, and Mike Hamlett (170), Ron Byerly (160) and David Richardson (190) at the deep back positions. Of these 22 starters, 19 are lettermen and two others have gained experience. Whitley is the lone freshman. Gilleland saw action in several contests last fall, which Schroeder is a junior college transfer student. Newberry's offensive unit will contain eight lettermen including an all-veteran backfield of Ray Hesse, Ozzie Witt, Don Burton and Taylor. The Redskins' defensive team also will contain eight lettermen. Two freshmen are slated to start on both offense and defense for Newberry.

Roten (180) at tailback. Taylor, a junior tailback, was the Carolina Conference's second-leading ground gainer a year ago when he gained 823 yards in 196 rushing attempts and scored nine touchdowns. His yardage total set an all-time Newberry record and earned him a spot on the All-Conference team. The biggest problem for Coach Harvey Kirkland, entering his 16th season as grid chief of the Redskins, will be one of a lack of depth. Dennis Swygert, the team's leading pass receiver with 14 catches in 1966, has graduated along with Benji Kirkland who last season completed 34 passes for 438 yards. Newberry's punting will be handled by end Bob Hazel who averaged 41.2 yards per kick a year ago.
