Jersey is being used in a big way this season. We see it, in bathing suits, day dresses and those for evening. It drapes beautifully and is ideal for packing or traveling.

Wrap-arounds are very popular this summer. We have been accustomed to think of wrap-arounds as either house dresses or skirts over play suits but they are being shown in the shops now in colorful fabrics that call for shopping expeditions.

Jaycettes Honor Miss Watauga At A Luncheon Last Saturday

At a luncheon in her honor Saturday at Holiday Inn, Miss Myra Davis, Miss Watauga, gave the following response to her Jaycette hostesses and well-wishers.

"If you have learned to walk a little more sure-footedly than I, Be patient with my stumbling then And know that only as I do My best and try May I attain the goal For which we both are striving." "Thank you."

"There have been so many people who have helped me in so many ways through the past six months since I was crowned Miss Watauga County.

"Our town merchants, with gifts and generous help, have made my being your queen a very great pleasure.

"I would like to express my thanks to the Jaycettes and Jaycettes who have given me such loyal support and help whenever I needed it. I would especially like to thank my Daddy and Mama Jaycee and Jaycette, Mr. and Mrs. Otis Strother. These two marvelous people have given so freely of their time and effort to make my reign as Miss Watauga County more lasting and more enjoyable.

"Last but not least, I would like to thank my parents, because without them I just wouldn't have been possible. They both have been such great understanding people; both in time and work and, of course, those little money matters which have to be taken care of, and I love them both very much for being so patient with me.

"One week from Monday, on June 10, I will leave for the Miss North Carolina Pageant. I will take with me more confidence because the people at home are behind me. I am going with the idea that I haven't been beaten yet. I hope to bring the crown home to you, maybe I won't, but I will be down there giving it all I have.

"I would like to end by using a verse which expresses what I have tried to tell you in very few words.
