Edenton And Elizabeth City Clash Friday Gala Event Is Scheduled For Entire Week November 12

Aces And Yellow Jackets To Play Most Important Game

Both Squads Appear to Be In Best of Condition For Hard Fight

TEAMS CONFIDENT

Comparative Scores Do Not Allow Many Predictions

Just about 1,700 pounds of muscle and brawn from the Edenton High School will tomorrow afternoon lock horns with about the same amount of football flesh representing the Elizabeth City High School on the latter's gridiron. This game, due to the keen rivalry and importance, should be the "battle of the century," with Edenton struggling to maintain a clean sheet and overcome the Elizabeth City team in order to have the privilege to travel to Chapel Hill to match wits and strength with schools representing other sections of the State. Elizabeth City, on the other hand, is desirous of smothering all Edenton hopes to smashing, and take a crack at the championship tilt themselves.

Edenton has an excellent record thus far, having won every game and preventing their goal from being crossed to date. Elizabeth City, likewise, has an enviable record and both teams will enter the game, feeling confident that their record will remain unsullied. Both squads are in the best of condition and a battle royal is expected. The Edenton High School has never been able to defeat an Elizabeth City eleven, and due to the excellent showing so far, local fans are hoping "the impossible" will be accomplished this year. The winner of this game will be entitled to compete in Chapel Hill for the State Class B championship, and undoubtedly both teams will put all they have in the game to gain this honor. The Elizabeth City Yellow Jackets won the championship last year, but the squad lost a number of stars through graduation.

The starting lineup will most likely be Rogerson and Buflap, ends; Sexton and Spruill, tackles; Layden and either Byrum or Boyce, guards; Wozelka, center; Bill Harrell, quarterback; Worth Spencer and Cates, halfbacks, and Paul Spencer, fullback. The game is scheduled for 3:30 o'clock and a large crowd of Edenton fans plan to accompany the Aces.

The largest and peppiest pep meeting yet to be held is planned for tonight at the Court House at 7:30 o'clock. A number of short addresses will be made and the usual parade around town immediately after the meeting. All students and football fans are urged to attend in order to stimulate interest and encourage the members of the Edenton squad.

Mrs. Essie Perry Buried In Woodland

Mrs. Essie Perry, widow of the late Claude Perry, died Tuesday morning at her home in Woodland, N. C.

Mrs. Perry is a former resident of Chowan County, having been proprietress of the Penelope Barker Hotel for several years.

She is a sister-in-law of Branning Perry and Percy Perry of Edenton, and is survived by many distant relatives in the county, who attended the funeral services, which were held on Wednesday afternoon at 2 o'clock in Woodland.

LADIES REALIZE NEAT SUMS FROM SUPPERS LAST WEEK

The ladies of the St. Paul's Episcopal, Presbyterian and Methodist churches were delighted at the response given to the Heinz suppers sponsored by Goodwin's Quality Store, through the H. J. Heinz Company, in the Parish House last week. Large crowds attended the suppers and the receipts were very satisfactory.

According to reports, the Episcopal ladies took in \$40, the Presbyterians \$25 and the Methodists \$20. The proceeds will be used for church work in the different denominations.

AUXILIARY MEETS FRIDAY

An important meeting of the Auxiliary of Edw. Bond Post will be held Friday night at the home of Mrs. M. P. Whichard, president. Every member is requested to be on hand.

GOOD REPORT

That conditions in this section are on the mend, is apparent in the report of the condition of the Bank of Edenton to the Commissioner of Banks at the close of business on October 17th. This report is the best the institution has issued in over ten years, reflecting the up-turn in business, as well as the efficiency and service rendered by the officials of the bank.

The report will prove very interesting reading and will be found on another page in this issue of the Herald.

COMMITTEE TO AID NEEDEY FARMERS

The local County Farm Debt Agricultural Committee, working under the Farm Debt Adjustment Commission, held a meeting Tuesday afternoon and adjusted a few cases. The duty of this committee is to assist any farmer who is in debt and unable to find the means to hold off his creditors.

The members of the local committee are Julien Wood, T. C. Byrum, F. W. Hobbs, R. P. Badham and J. B. Webb.

Any debtor or creditor seeking a readjustment in the debt relationship, one with the other, may ask this committee to investigate and make recommendations to either or both parties for the purpose of effecting a satisfactory solution of any existing difficulties.

Application blanks will be furnished to either the debtor or creditor seeking adjustment. These blanks, supplied by members of the committee, may be used to request the aid of the committee.

This committee has nothing to do with the actual refinancing of farm loans under the Federal farm relief legislative program.

In commenting on the proposed work of the committee, one of the members stated that obviously if the local committee is to accomplish its purpose, debtors and creditors who desire to submit their problems to the committee should recognize that conciliation is the keynote and that the recommendation of the committee is for the guidance of both parties in their efforts to reach a friendly and mutually satisfactory settlement of their problems.

Therefore, the committee urges any parties who would like to avail themselves of the services of the committee to get in touch with any one of the members.

Edenton Cafe To Move In New Headquarters

Carpenters are now at work altering the interior of the Mitchener store building at the corner of Broad and Queen streets, which will be occupied as soon as completed by the Edenton Cafe, operated by Mike Keyhayes. Mr. Keyhayes believes this corner will be an ideal location for a restaurant, being in position to serve tourists and travelers turning at the intersection going north and south and who otherwise would pass on through.

Mr. Keyhayes plans to have a clean and attractive stand, which will be a credit to the town, and invites not only strangers but local people to inspect and patronize the new restaurant when completed.

AUXILIARY SPONSORS COTTON STYLE SHOW

In an effort to create a greater interest in the use of cotton for dress, the American Legion auxiliary of the Ed Bond Post, with the cooperation of local merchants, will present a Fashion Revue and Cotton Style Show at the Taylor Theatre Monday and Tuesday, November 5 and 6, with a cast of local young ladies modelling the season's latest fashions on the stage. This attraction will be presented in addition to the regular screen program "Sting-are," featuring Richard Dix and Irene Dunne, and at the regular admission prices.

Featuring cotton, and as this is the first observance of the South's staple to be held in Edenton, a great deal of interest is being shown by local merchants, and the Auxiliary is making it a success. The feature of the attraction will be the "Parade of Cotton Queens," at which time each model will be introduced as the representative of a local merchant, and so far the following have entered a model: Preston's, Sutton's Drug Store, Community Store, W. D. Holmes, Anne's Beauty Salon, Bank of Edenton, Goodwin's Quality Store, Chas. H. Jenkins Company, Oglesby Bros., Byrum Bros. Hardware Company, J. H. Holmes Company, Edenton Cafe, and Ganderson's.

From this group "Miss Cotton Queen" will be selected by applause, the winner to receive several valuable prizes and a free trip to the next city in which the event is staged to appear there as guest of the show. Miss Elma Gray Ambers, winner in Plymouth, will be guest of the show here.

In addition to the modeling numbers which will feature new fall wearing apparel from J. H. Holmes Company and Preston's, local talented performers will be introduced in a group of musical and singing interludes.

EDENTON HIGH SCHOOL TROUNCES GREENVILLE ELEVEN; SCORE 44 TO 0

Continuing their Chapel Hill march, the Edenton High School football team Friday afternoon easily won from Greenville High School by a score of 44 to 0. Advance reports were to the effect that Greenville had a very strong team and would give the local boys a hard tussle. The Aces, however, played an excellent brand of football and easily outclassed Greenville in every department of the game. The game was the fifth victory this season for the locals, and to date their goal line has not been crossed. The easy victory afforded an opportunity for the local gridders to execute new plays which more than likely will be needed against Elizabeth City Friday afternoon. Nearly every second string man was given an opportunity to play a part of the game. Like previous games, the entire team worked as a unit, making nine first downs while Greenville was able to secure only two, one of those being by the air route.

A number of brilliant plays were displayed, with Paul and Worth Spencer gaining most of the yardage. Cates, Harrell and Cayton ably assisted their teammates in rolling up the largest score this season. Sexton, Boyce, Wozelka, Byrum, Spruill, Rogerson and Buflap all played well in the line, holding their opponents on practically every play without a gain. Two excellent passes were executed by Paul Spencer, one going to Rogerson and one to Bill Harrell, both resulting in touchdowns.

First Quarter

Greenville kicked to open the game, Paul Spencer returning the ball to midfield. On the first play Worth Spencer made a first play down. With five yards by Harrell and three by Worth Spencer, Paul Spencer made the second first down. Worth Spencer and Cates on the next two plays added another first down, and on two successive runs Worth went over for the first touchdown. Paul Spencer's kick for extra point failed.

Greenville received and was forced to punt, but Vernon Spruill blocked the kick, Rogerson recovering the ball. After being penalized for off-sides, Worth Spencer tore through the right end of the line, to cross the goal line. Greenville was penalized for off-sides, but Edenton took the gain, which meant a touchdown. (Please Turn to Page Two)

WORKERS ENDEAVORING TO GET OUT HEAVY VOTE FOR ELECTION TUESDAY

Ballots have been printed and distributed to the various voting places for the election to be held next Tuesday, November 6. Although there is no contest in this county and the belief that there will be a light vote, workers are endeavoring to get out a heavy vote. Various certificates for absentee voting have been printed and efforts will be made to have these in the hands of any Chowan County voter who will be unable to cast a vote in person at the voting booths Tuesday.

Both the Democratic and Republican parties have space on the local ballot, but for Chowan County there are no candidates listed on the Republican side.

Every voter is urged to read the instructions before marking the ballot. For voting a straight ticket a circle is provided at the top of the ballot and a cross mark in the circle is all that is necessary unless a voter desires to vote or not vote for a particular candidate. In that event the circle must not be marked and cross marks placed in the squares opposite the name of the candidate for whom the vote is intended. Any ballot not properly marked will be thrown out and not counted in the election.

Following is the county Democratic ticket:

For Solicitor—Herbert R. Leary.

For State Senator—Lloyd E. Griffin.

For House of Representatives—John F. White.

Baptists Close Revival On Wednesday Night

The Baptist revival meeting came to a close Wednesday night, after being in progress for over a week. Large congregations assembled at every service to hear Dr. H. A. Porter, pastor of the First Baptist Church of Charlottesville, Va., who preached during the meeting. Services were held both morning and evening during the series of meetings. Dr. Porter is a very pleasing and forceful preacher, and delivered splendid sermons during his stay here. He was unable to remain any longer, and Baptists, as well as members of other denominations expressed regret that the meeting could not last for a longer period.

Senior Class Renders Delightful Program

The senior class of the Edenton High School entertained at chapel Wednesday morning with an enjoyable radio program. The broadcast was held in the reading room down stairs, where everything was arranged for the purpose. Several of the school's best singers were placed on the program and the reception was well received in the auditorium.

Eleanor Small opened the program with a song, "Breeze," followed by a violin solo by John Briggs. Emma Karrell and Esther Mae Hollowell then sang a duet, "I Saw Stars" was sung by Esther Mae Hollowell, after which Carroll Boyce rendered a solo, "Here Comes the British, Bang, Bang." Followed a reading by Clara Meade Smith, a group of five girls sang "Freckle Face." The program ended with a piano selection by Orphia Cozart.

Slight Change Made In Ferry Schedule

A slight change in the schedule of the Edenton-Mackeys Ferry will go into effect November 1st. This change will affect the last trip leaving Edenton, being set up to 4 o'clock instead of 5 o'clock. The last trip from Mackeys likewise has been put one hour earlier, leaving now at 5 o'clock.

The schedule as now arranged provides for the ferry leaving Edenton daily and Sunday at 7 and 9:30 a. m. and 1 and 4 p. m. It leaves Mackeys for Edenton daily and Sunday at 8 and 11 a. m. and 2:30 and 5 p. m.

Due to improved roads over highways No. 94 (Columbia to Fairfield) and No. 97 (Plymouth to Belhaven), patrons will find that the route is much shorter to Edenton and cities to the north, thereby affording quicker service for produce, poultry and livestock producers to Edenton, Hertford, Elizabeth City, Norfolk and Richmond markets.

BRACE EXPERT AT LEGGETT & DAVIS STORE TUESDAY

G. A. Meacham, a special representative of the Jung Arch Brace Company, will be in Leggett & Davis Drug Store all day Tuesday, November 6, for the purpose of explaining the latest in braces. The proprietors of the store invite anyone interested to consult Mr. Meacham on any matter while he is here.

GOODWIN'S QUALITY STORE TO MOVE TO NEW STAND

Earl Goodwin's Quality Store will move into the building now occupied by the Edenton Cafe, across the street from his present location, just as soon as the building is vacated.
