

Appreciative Bargains . . .

My friends in Chowan and surrounding counties, it is needless to say how much I appreciate the enormous business before and the holiday season which you have given me. It might be possible that it is because I have given everybody a square deal in prices, Quality Merchandise and Courteous Service. Before I attend the Furniture Show Market in the near future and will be forced to buy at higher prices, I am going to pass these low prices on to you.
