

EDENTON'S SECOND TEAM TURNS BACK WILLIAMSTON 14-0

Coach Brogden Well Pleased With Showing Made By Youngsters In Monday's Game

Edenton, too, has a "B" football team and already they have started out supporting well the Edenton spirit of the game. The first game played by the "B's" resulted in a 14 to 0 victory over Williamston's junior team in Williamston Monday afternoon of this week. So aggressively did they stride in their first game that they were labeled as the "Little Aces." They will likely be known from now on by the same name.

Coach Leon Brogden has been impressed by the desire of the little boys to play the game and has taken up enough time with them to organize a clicking junior eleven. "In their first game they paid me well for the work I have done with them," he said. "I was pleased and surprised at the way those little fellows played the game," he continued.

This week the Little Aces have been getting some attention as well as the Aces. On one portion of Hicks Field Edenton's gallant conference team has been taking heavy drills while in another portion of the field the Little Aces have been drilling formations and plays.

In the game in Williamston Monday the boys started off with the same drive that is so customary of the conference team. Williamston's team, approximately 10 or 15 pounds to the man heavier than the Little Aces, found themselves being swept back with heavy driving and hard tackling. Edenton's backs showed a wide degree of skill in blocking, running and general offensive play. Their first drive resulted in the gaining of approximately 70 yards for a touchdown.

Comment on the outside since local fans have heard of the first success of the B team is that just this training for the little fellows in the lower grades and for the smaller freshmen and sophomores of the high school will mean a lot to the continuation of good football in the school. By the time the little fellows get ready for the Varsity eleven they will be ready to make all-State men of themselves.

The starting team that thrashed Williamston Monday afternoon is as follows: Left end, Sidney White; left tackle, Ewell Hobbs; left guard, George Ward; center, James Cozens; right guard, Billie Shepard; right tackle, Edward Bass; right end, Fred Hoskins; quarterback, Stanley Spruill; halfbacks, Clyde Spencer and Pete Everett; full back, Robert Cheson. Substitutes in the game were Bill Whichard at end, and Thomas Byrum at tackle. Other subs not playing were Meredith Jones and Dick Badham.

Both touchdowns were made by Pete Everett. The first one was a sweeping end run for about 15 yards and the second was from a 35 yard run after receiving a pass from near midfield. Stanley Spruill plunged the line for both extra points.

This week about enough material for another team has been reporting for practice each afternoon. This will strengthen the team considerably as soon as the few material knows all of the set of plays that has been given them to learn.

Coach Brogden said that he was trying to schedule seven or eight more games for his Little Aces this season.

"SPY" PHOTOGRAPHS FAIL TO EXCITE US

Visitors May Take Pictures of Spans and Tunnels.

Washington. — What the United States does not consider military secrets was illustrated a few days since with the release of five Japanese tourists arrested by police in New Jersey when seen making photographs in the Holland tunnel. They were released promptly on their explanation they were there making records of a recreational tour.

In most countries strangers taking photographs are under suspicion as possible spies. This applies not merely to fortifications, but to structures or localities which have no direct military significance.

Tunnels, bridges, highways and everything connected with transportation are deemed of more or less strategic importance in the event of war, as they are necessary to rapid mobilization. An invading army, for instance, would cut off the water supply of a city; the making of photographs of an aqueduct therefore might be regarded by some nations as an act of espionage.

The Government View.

The attitude of the United States War department seems remarkably lenient to foreign visitors, accustomed to the strict regulations at home. Photographing of fortifications is permitted here under certain conditions. Prints may be bought openly and many are reproduced in newspapers and magazines or on souvenir postal cards. Not infrequently even aerial views of fortifications are published.

What shall be seen and pictured at any American military post or fort depends largely upon the decision of the commandant, who is guided by the War department.

Civilian tourists of all nationalities appear at military posts of the United States. They are required if admitted, however, to check cameras.

Photographs can be taken by accredited representatives of the press at the option of the officer in charge. They are made under his supervision so that they reveal no technical secrets.

Invite Photographers.

The army may even invite press photographers to be present at the testing of huge sea defense guns at Sandy Hook, but it prefers to issue photographs made for publication by its own signal corps.

News photographers who attended the recent army maneuvers were pledged not to make any plates of a new type of tank in use there. It was designated a "restricted project."

A restricted project is usually in the experimental or research stage. It may be studied for months before it is finally adopted. Severe penalties would be imposed on any officer releasing the facts concerning it or permitting pictures to be made of it. There were 18 foreign military attaches present at the maneuvers; they were not supposed to look at the taboed tanks or to show any curiosity.

Speed of Airplanes Is Doubled in Eight Years

Chicago.—A 100 per cent increase in airplane speed in eight years. That's the record established on the pioneer mid-continent airway, the first air route to link the Atlantic to the Pacific, as revealed by United Air Lines' bulletin comparing the service it offered in 1927 when it took over the air mail contracts from the government and its new 16-hour coast-to-coast flights.

The original schedule with single-engined planes over the 2,700-mile airway between California and New York was 32 hours. In 1930 the cross-country flight was cut to 29 hours 45 minutes. Every year since 1930 United has cut its time, the greatest slash being in 1933, when the three-mile-a-minute twin-engined Boeings cut seven hours from the coast-to-coast time for the first 20-hour across America schedule.

Undersea Creatures Band Together for Protection

Berkeley, Calif.—"Partnerships Under the Sea" might fittingly be the title of a new and spectacular film announced by scientists of the University of California in connection with the institution's visual education department program. The film shows hitherto unphotographed "alliances" under water of sea beings, such as the hermit crab and the sea anemone; the sea cucumber and pearl fish; the salpa fish and jellyfish, who, it was found, band together for mutual protection.

Key Lost for 30 Years Discovered on Radish

Cedar Rapids, Neb.—While sweeping snow from her porch 30 years ago, Mrs. Phil Wagner brushed a key into the garden bed. An exhaustive search failed to find it.

A short time ago Mrs. Wagner was pulling radishes from her garden. Encountering a particularly stubborn plant which refused to come out, she cut around it with a knife. She found the key encircling the radish.

Wrong Righted on Canvas

Fremont, Ohio.—For years the water in a picture at the city hall depicting a scene of the War of 1812 ran up hill. The city council, tired of jibes, recently authorized the retouching of the painting to correct the stream's condition.

\$10,000 MOVING PICTURE HORSE HERE

Jack Case on Rex, the \$10,000 moving picture horse, which will be seen on the Fair Grounds today, Friday and Saturday when cowboys and cowgirls will perform many western stunts in the rodeo and Bar-U Ranch presentation. Matinee Saturday at 2:30.

Wild West Stunts At Fair Grounds

Residents in Edenton and this section will have an opportunity to witness Wild West stunts when the Jack Case Rodeo and Bar U Ranch will perform on the fair grounds today, Friday and Saturday.

The feature of the event will be Jack Case and Rex, the \$10,000 moving picture horse. The rodeo brings with it cowboys and cowgirls from the Far West who do trick riding and fancy roping. Each one of these people are champions in their own way, riding horses and bulldozing steers.

Miss Betty Case gives a very pleasing performance with her trick horse, Spot. A special feature on Thursday night will be the riding of two horses owned by F. W. Hobbs and W. D. Moran by one of the cowboys. These two animals have never been ridden and this event should be of interest to many local people.

A free street parade will be held at 1:00 o'clock today.

Spurgeon Evans, Hobson Taylor and Frank Perry attended the fair at Williamston Wednesday night.

Miss Lilly Wood spent Sunday at Woodville with her parents, Mr. and Mrs. Wallace Wood.

Edenton Aces All Set For Elimination Fray

(Continued from Page One)

Rapids. They are willing to play it any place on neutral territory, but most of all, they had rather see Elizabeth City defeat them tomorrow.

The Aces kicked to the Jackets last Friday to open the contest and at first it seemed that the teams were well matched. The first series of plays added to one five yard penalty gave the "Jackets" a first down, but a fumble pushed them back about twice the distance gained and they kicked out. The Aces tried their offensive ability which resulted in a touchdown from plowing straight through from midfield. Again the "Jackets" received but had to kick back and the Aces started another drive that resulted in the second touchdown early in the second quarter.

The Aces kicked again but the "Jackets" were forced to punt. This time, however, the "Jackets" gained a break when Bill Miller intercepted a lateral on his own 35 yard line and raced the field for the visitors' only counter. Then the "Jackets" kicked to the Aces who found gaining hard until Wozelka punted and Sexton recovered the fumbled punt which gave the Aces the ball again on Elizabeth City's 25 yard line. From this position the Aces forged on over again for their third touchdown. Again the Aces kicked and Graham Bunch received the kick and returned it to near midfield in a beautiful return. An exchange of punts held play near midfield until Worth Spencer intercepted a pass on the visitors' 45 yard line and Layton heaved a pass to Paul Spencer as the half whistle blew. In the third quarter Layton's running was most prominent. A thirty yard dash was his longest run of the game. Even after the Aces crossed the midstripe they found it necessary to punt and the "Jackets" attempted to do likewise from their own danger zone. From this territory the Aces forced over again. Again the Aces kicked but the "Jackets" punted back and Paul Spencer made his longest run, an off tackle play that was good for about 40 yards. Three passes, one to Worth, one to Paul and a third to Layton placed the ball on the one foot line and Layton plunged over for the counter.

The fourth quarter was cut short when Coach Hnussucker called his team off the field because of darkness and the fear that some of them would be injured for no reason worth

the risk to be run. The game ended 32 to 6 in favor of the Aces.

The lineup:

Ediz. City.	Edenton.
Miller	Sexton
	left end
C. Ward	Smith
	left tackle
Brown	Elliott
	left guard
Parker	Wozelka
	center
W. Gard	Miller
	right guard
Forbes	Spruill
	right tackle
Haste	Byrum
	right end
Glover	Harrell
	quarterback
P. Ward	W. Spencer
	left halfback
Sawyer	Layton
	right halfback
McHarney	P. Spencer
	fullback

Substitutes: Elizabeth City—Lewis for Brown; Bunch for Ward, Wells for McHarney.

Officials: Referee, Webb; umpire, Stokes; head linesman, Griffin; timekeepers, Elliott and Spencer.
