I felt like Washington at Valley Forge... until I got into HANES!

"GOOSE-PIPLES? ... I used to have them as big as lemons! My skin felt as rough as sandpaper from Fall till the first of Spring. But that was before I got hep to HANES. I'll never forget my first suit. I pulled it on and buttoned up, and it felt as soft and warm as could be. I'm telling you those HANES people know their knitting. They're not a bunch of knit-wits. They make that cloth so elastic, and so true to your trunk and chest-size, that it stretches and gives with every move you make! I've never even had it cut in the crotch when I bend over to lace my shoes. I know I'm hot for HANES... HANES makes it hot for me!"
