Chowan Club Meets With Mrs. Perry

On Easter Monday, April 13, at 2:30 P. M., the Chowan Club met at the home of Mrs. Alfred Perry. On account of the holiday, many entertaining unusual guests and home-comers, the attendance was small. Yet we had a very pleasant meeting. Mrs. Baumgardner played "America the Beautiful" and we sang it. In the absence of the chairman of Gardens, Mrs. E. N. Elliott, Mrs. R. H. Hollowell put on for her the following program:

The Easter Lily, Mrs. R. H. Hollowell A Busy Time in the Garden, Mrs. John T. Byrum.

Household Hints, Mrs. E. L. Winslow. A social hour followed in which, at an unusual time, Mrs. Perry unexpectedly, but kindly served delicious coconut cake and grape juice. Our thanks for the holiday treat.

We adjourned to meet Miss Colwell at the same place, Mrs. Alfred Perry's on April 26th, at 2:30 P. M. M. W. WINBORNE, Secretary of Chowan Club.

Two Jailed Charged With Stealing Fish

Thieves late Saturday night or early Sunday morning entered the fish house of W. C. Waff on East Water Street, making away with a quantity of shad valued at about \$50 and approximately 20 gallons of gasoline stored in the house.

Mr. Waff, who is incapacitated, had T. D. Bembridge do the fishing on shares, which means that both lost their profits on the fish, while the gasoline is a total loss to Mr. Bembridge, who furnishes the gasoline. Entrance to the fish house was gained by prying open the back door.

Officers had suspected the guilty parties, but it was not until Tuesday that they arrested Woodrow Gay and Robert Henderson, whom they learned had sold the fish in Elizabeth City. They were placed in jail and will be tried in Recorder's Court Friday morning.

Aside from winning third place in the contests, the Edenton Chapter was acclaimed by Supervisor S. B. Simmons to have made more progress than any other chapter in the State for the past twelve months. The boys are now making plans for attending the National Contests to be held at Hampton Institute in August of this year.

Beech Fork Club Holds Meeting

On Wednesday afternoon at 2:30 o'clock, the Beech Fork Home Demonstration Club met with Mrs. E. E. Harrell.

The meeting opened by singing "A Song of the Open Country" and "Morning Comes Early," led by the song leader, Mrs. Paul Ober. Roll call and the minutes of the previous meeting followed. All members but one answered at roll call, and one visitor was noted.

The club gave a play on the night of March 31, and \$12.52 was cleared. Miss Colwell's subject for the month was "Selection and Hanging Curtains." The demonstration was very ably put on by Mrs. Mollie W. Hollowell and Mrs. W. H. Saunders.

Each woman was given a book containing directions for arranging curtains. Miss Colwell stressed the fact that curtains should be pleasing from the exterior as well as the interior, and that rich bright shades should be selected, and then hung properly.

At the conclusion of the business hour, ten minutes of recreation under the guidance of the social leader, Mrs. Craig Haste, was enjoyed. A prize was awarded the one finding the most words beginning with can, and Miss Colwell, as winner received a dainty handkerchief.

Mrs. Harrell, assisted by Mrs. Russell Byrum, served delicious fruit Jello with whipped cream and cake.

The next meeting will be held on May 21st, at 2:30 P. M., with Mrs. Mollie Hollowell.

Price or Quality - WHICH?

When you buy a suit of clothes, do you get the cheapest suit you can find, regardless of material, fit and style?

When you buy an automobile, do you get the cheapest thing on the yard, regardless of whether the thing will run or not?

Would you buy a blind and lame mule because it cost a few dollars less?

The answer to all three questions is NO!

Yet many farmers buy their Fertilizer just that way, to save a few cents per acre and entrusting a whole year's work to a bag of guano bought at a price.
