

Many Hear Piano Recital At School

A glimpse of fairyland was the scene of a piano recital given in the school auditorium Monday evening by the music pupils of Mrs. Leon Lewis, which was attended by a goodly number of relatives and friends. The theme of the story was a dress rehearsal for a piano recital, but the teacher forced to be absent, asked four girls to take charge. These were Catherine Reeves, Catherine Shump, Gussie Cox and Pauline Moore. Catherine Reeves played the Elfin Round by MacDonald, which brought the fairy queen, Julia Burton, to the stage. The queen offered to have the fairies come and play which brought to the stage all the other fairies.

Those on the program included Jeannette Habit, Sara Russell, Emily Russell, Katie Jethro, Annie Norman Chesson, Mary Goodwin, Dorothy Parker, Grace Wilkins, Gussie Cox, Catherine Shump, Pauline Moore, Doris Jean Leary, Annie Macon Byrum, Winnifred Hollowell, Janie Mitchener, Neanie Bunch, Iva Jean Baker, Norma Perry, Julia Burton, Catherine Reeves.

QUINTUPLETS!

It happened in Canada! Five darling babies born at once, and this scene from "The Country Doctor," which stars the Dionne quintuplets, shows Slim Summerville, Jean Hersholt and John Qualen more than a little amazed at the stork's deposit. The picture will be seen in the Taylor Theatre, Edenton today (Thursday) and Friday.

THE HOME OF SIZZLING STEAKS.

Arthur Chappell, Proprietor

THE student of astronomy today knows much that was not known by his fellow-student of the heavens a generation ago. But there are still planets unknown . . . whose light does not reach the earth until millions of years have passed. There is much that is unknown in life, too . . . and the future is a vista of mystery opening day by day, hour by hour, moment by moment. This much, however, we do know: that as life goes on, the where-withal to live is necessary: that as the years gather around us, we become less able to sustain ourselves: that a growing savings account is our best assurance of safeguarding our future, and making known our protection whatever the unknown may bring.

The Bank of Edenton
