# Hoey Holds Slight Lead In Race For Governor

### Chowan County Turns In THE VOTERS' CHOICE Majority Vote For Graham

Leads Dr. McDonald 805 to 489; Hoey Is Third Man

TIE VOTE

#### White Defeats Berryman For County's Representative

Going to the polls Saturday with a total vote of about 1,550, Chowan County Democrats fell short of an anticipated vote of 1,800 in the primary election. There was a rush of voting during the early voting hours at both the Edenton precincts, but gradually the voting dropped off with but spasmodic spurts as workers for favorite candidates rounded up groups of voters and brought them in to cast their ballot.

As was predicted by followers of Sandy Graham, he easily carried Chowan County, polling 805 votes against 489 for McDonald, who was second, 262 for Hoey and 8 for McRae. Mr. Graham had a majority of 46 votes of those cast for Governor.

The McDonald supporters in Edenton, however, felt confident that even though their candidate did not lead the ticket here, he would lead in the State or at least be in second place with enough votes to participate in a second primary.

The Hoey backers, while not surprised that Graham carried the County, had the utmost confidence that Mr. Hoey would easily be high man in the State.

In the First Senatorial race W. I Halstead, of South Mills, was high man, with Jerry Hughes, of Elizabeth City, winning the other sena-torial seat. Merrill Evans, of Ahos-kie, came in third, followed by Miss Ethel Parker, of Gatesville, and Tom Brown, of Hertford was low man.

Chowan gave Halstead the best vote, getting 667, followed by Evans with 432, Miss Parker 411, Hughes 379 and Brown 344.

#### Bertie Women Want **Demonstration Agent**

A committee of ladies from different sections of Bertie County went before the County Commission ers last week seeking a county demonstration agent. The county has not had a home agent for several years and the rural ladies feel that they are entitled to one. They reported to the Commissioners that much good work was accomplished during the years a home agent was employed and that now more phases of farm work is taken up by these workers.

Though the Bertie Commissioners offered nothing definite last week their attitude toward the movement was very encouraging to the delegation present.

#### Chowan Delegates Off To Convention

Part of Chowan County's delegates to the Democratic State Convention will leave for Raleigh at noon today, with the remainder leaving Friday morning. The County has 22 delegates with a half vote each and all of them or an alternate are expected to attend the convention.

The delegates are:
T. L. Ward, E. N. Elliott, T. A.
Berryman, J. J. Byrum, W. H.
Pearce, Mark Bunch, J. C. Haste, W.
E. Bunch, Mrs. George Wood, Frank

D. M. Warren Calls Attention to Relief Situation; Delay Action On Extra Patrolman

Considerable business was trans-

acted at the meeting of Town Council Tuesday evening, though it was all handled with dispatch and despite a late start the Council adjourned shortly after 10 o'clock. John White appeared before the Councilmen in behalf of the Albemarle Beer Distributors in an effort to have a fair and equitable license placed upon Joe Habit for the right to distribute beer wholesale in Chowan and adjoining counties. Mr. White told the city fathers that Edenton needed new business and that it was detrimental to the wellicense fees. After scanning the revenue act it was decided to charge a

a county and State license.

TEACHERS' MEETING

Straggling Reports Give Boost to Vote For McDonald

#### SECOND PRIMARY

#### Josiah Bailey Is Easily High Man In Senatorial Contest

Though, according to early returns, Clyde R. Hoey led by a large vote all other candidates for Governor in the Democratic primary held Saturday, Dr. Ralph McDonald materially cut down this lead as straggling reports trickled in, and on Wednesday Mr. Hoey was leading Dr. McDonald by a mere 4,000 votes with still a few precincts to be heard from, it is not expected, will change the standing of the candidates. Hoey had received almost 190,000 votes compared with over 185,000 for McDonald, 125,000 for Graham and McRae trailing with over 6,000 votes.

Hoey lacked the necessary number of votes to entitle him to be the party's candidate in the general election in November, and will fight it out for this honor with Dr. McDon-

ald in a second primary on July 4.

The four-cornered race for Governor created an exceptional amount of interest due to the variance of the platform of each candidate, resulting in a second vote being tabulated in the State, when over 500,000 voters trekked to the polls to express their

choice for office holders.

In the four-cornered contest for United States Senator Josiah William Bailey easily led the field, followed by Fountain, Griffin and Strain. Bailey was also given a large majority of the votes cast in Chowan County. Richard T. Fountain, who polled almost 176,000 (Continued on Page Five)
