### Edenton Glee Club Now In The Making

Satisfactory progress is being made by Mrs. Gordon Blow in organizing a glee club in the Edenton High School. Last year Mrs. Blow earned considerable credit for herself and the Chowan High School by producing an excellent club in the up-county school, which appeared on many programs during the school session.

A goodly number have enrolled for the club, but Mrs. Blow is experiencing some difficulty in all of the members being able to leave classes at the same time for rehearsals. This handicap, however, will no doubt be remedied, and she is very optimistic of producing a creditable glee club.
