Men Of Enterprise Repay Hospitality Of Club Members

The ladies of the Enterprise Club together with their children and a few invited friends, were guests at a most delectable shad supper at the Enterprise Club House late Friday afternoon. The men of the community took this means of repaying the hospitality of the ladies at supper and parties which they had enjoyed in the past.

The long serving table in the yard was replete with delicious shad, all kinds of breads, slaw, hot coffee and iced drinks. The foods were so appetizingly cooked that the ladies willingly agreed to let their husbands don the cook's apron in their stead at any future time.
