

SERIES BEGINS TO DECIDE CHAMPS IN SOFT BALL

Winners In Three Game Series Will Play For League Championship; First Game Tonight

Though there still remains two more rained out games to be played in the soft ball league schedule, managers of the clubs, in view of the fact that these games would not materially change the standing, met Tuesday afternoon and decided to begin a play-off series for the city championship. In order to determine the two contenders for this title, a series of three games will be played by the Lions and Red Men and the Masons and Rotarians, with the two winners playing for the championship.

This series will begin tonight (Thursday) with the other two games scheduled to be played Friday and Tuesday nights. On each night a double-header will be played. Tonight the first game between the Lions and Red Men will begin at 8 o'clock, immediately following which the Masons and Rotarians will play. On Friday night the Masons and Rotarians will cross bats first, followed by the other two teams.

For the championship title a series of seven games will be played, a schedule for which will be made as soon as the contenders are decided. All four teams in the circuit have been playing a good brand of ball, which makes it hard to predict just who the winners will be.

A double-header was played Wednesday night of last week when the Rotarians and Red men were victorious. Considerable substitutions were made in both games due to a number of players on all clubs being absent.

The Rotarians completely walloped the Masons in a one-sided game, taking the long end of a 28-6 count. In the other game the Red Men tamed the leading Lions 9 to 1, being the first defeat suffered by the Lions at the hands of any team except the Masonic aggregation.

Another swafest was staged Thursday night when the Rotarians hit the ball to all comers of the lot ranging in singles to have runs to easily down the Red Men 23 to 3.

APPROPRIATE \$150

The County Commissioners on Monday approved an appropriation of \$150 for the N. C. State Employment Service so long as the district office remains in Edenton. Town Council and the E. & W. Department made appropriations under similar provisions.

Welfare Puzzling To County Commissioners

Considerable time was devoted to welfare work by the County Commissioners Monday when Superintendent W. M. Perkins submitted his monthly report. Chairman D. M. Warren was much concerned by the fact that the county is now paying for upkeep of county home inmates who are eligible for old age assistance, but by virtue of being in the institution eliminated their chances to be put on the list.

Mr. Warren instructed Mr. Perkins to make an investigation to see what could be done in the matter, feeling that the cost of upkeep per person in the home was greater than the county's share in old age benefits. It was estimated that the cost per inmate in the home was \$12 or \$12.50 per month, which is more than it would cost the county under the social security set-up.

The Commissioners also went over the old relief roll of the county which brought to light that all but six of this group were now receiving or had pending checks for old age assistance. The six who remain on the county roll cannot qualify and therefore will remain charges of the county.

Mr. Perkins' report showed that there are now 56 in the county approved for old age relief, five dependent children applications representing nine children and two aid to the blind cases. These cases represent \$220 per month paid for old age assistance, \$92 for dependent children and \$24 for the blind. Checks range from \$2.50 to \$11 per month, depending, of course, upon circumstances surrounding applicants.

During August the number of persons recommended and passed for old age assistance was 28; aid to dependent children, 4; blind assistance, 1; rejected for old age assistance on first interview, 10; rejected for aid to dependent children on first interview, 2; pending for old age assistance, 15; pending for aid to dependent children, 2; pending for blind assistance, 2; persons given general relief out of county welfare budget, 10; number hospitalized, 1; homes visited by superintendent, 22; collateral calls, 15; number given government food, 61.

MRS. C. W. BEASLEY PLEASING HOST TO DISTRICT LEADERS

President and Chairmen Entertained Friday Afternoon at Hotel Joseph Hewes

Mrs. C. W. Beasley, of Colerain, president of the Fifteenth District of the North Carolina Federation of Women's Clubs, entertained at a luncheon at the Joseph Hewes Hotel in Edenton, Friday, September third, at one o'clock, complimenting the club presidents and district chairmen of the Fifteenth District.

Covers were laid for thirty-two, the seven counties in the District being represented.

A very interesting and informative conference was held during the luncheon hour.

Dr. L. P. Williams, of Edenton, in the absence of Mayor J. H. McMullan welcomed the guests to Edenton, which town is not in the Fifteenth District, but was chosen by Mrs. Beasley for her annual conference because of its historical setting.

Mrs. W. E. White, of Colerain, responded to the warm welcome extended by Dr. Williams.

Brief talks were made by the two State officers present: Mrs. W. S. Carawan, of Columbia, chairman of Public Welfare, and Mrs. B. G. Campbell, of Plymouth, chairman of Juniors.

Mrs. J. A. Fritchett, of Windsor, Contact chairman for the General Federation, was presented and made a short talk.

A Club Institute was held during which the club presidents presented problems in club work for discussion. This was conducted by Mesdames Beasley, Campbell and Carawan.

John R. Jenkins, of Aulander, sang "Goin' Home" and "Shortnin' Bread" accompanied by Grady Britt.

Mrs. James O. White, secretary of the Fifteenth District, gave an interesting talk, using as her topic "The Abundant Life in Relation to Club Work."

Mrs. Beasley then outlined the year's work. She first reviewed last year's achievements, presented two prospective clubs and her newly appointed district chairmen for the American Home Department, Mrs. L. A. Perry, of Colerain, and Mrs. R. E. Dunning, chairman of Art, of Swan Quarter.

The Annual District meeting will be held at Plymouth October 25. Mrs. Beasley urged a large attendance.

Mayor McMullan, having returned to the city, extended a very cordial welcome to the guests. He had arranged to have some one receiving at the various places of interest.

Following the singing of "Love's Old Sweet Song," the conference was closed, after which many of the delegates visited historical shrines.

New Health Officer Tells of Work

(Continued from Page One)

serve it. All teachers who do not already have a health certificate, do not get one. We will see you at your school before the 1st day.

"Other than school work, we will look after the general sanitation of the county, which will include inspection of hotels, cafes, food stores and dairies and the examination of food handlers, waiters and waitresses, dairy workers, nurses and cooks or passing upon their health certificates issued by private physicians. We expect all the above named to file their health certificates with us as soon as convenient. Breeding places of mosquitoes and other sanitation nuisances will claim our attention and as soon as possible we will renew the county WPA privy project. Through this service approved privies will be built for only the cost of material.

"Vaccinations: Anyone may receive free: typhoid, smallpox or diphtheria vaccination at the office in Edenton any week day between 9 and 5. Miss Frye Pettus, the office secretary has taken a hospital technician course and is thoroughly competent to administer any form of vaccination. Possibly a county-wide typhoid vaccination program will be put on next spring. We urge every mother to bring her children over 6 months and under 6 years of age to the office for a diphtheria vaccination, but you will hear more from us on this later. Concerning smallpox vaccinations in the schools, we will announce later, after we have had a meeting of the County Board of Health.

"Concerning the work of Miss Lentz, she will continue the work that she has done for the last year. Visiting homes, midwife supervision, health clinics, visiting communicable diseases, school work, etc. She has been in the county long enough for most of the people to know her, but very few of you know your Health Officer. Both of us are anxious to know as many of the county people as possible and we are only too glad to serve you in any way we can. Although we cannot treat you we are free to talk to you and give you advice on any of your health or sanitation problems. Come to see us and invite us to your meetings, etc. The office will be open every day from 9 to 5 and the Health Officer will be there on Monday, Wednesday and Friday afternoons and Saturday mornings, unless he is elsewhere in the county."

DOUBLE FUNERAL HELD FOR ETHERIDGES

(Continued from Page One)

Hollowell, W. J. Berryman, O. H. Brown, J. R. Wheeler, Charles H. Wood and J. C. Dail, while those acting in the same capacity at the husband's casket were R. E. Leary, J. C. Leary, C. T. Doughtie, D. B. Liles, Herbert Leary, Carol E. Kramer, and W. J. Taylor.

Mr. and Mrs. Etheridge, both natives of Camden County, the latter having been Miss Eliza Upton, daughter of Mr. and Mrs. Sam Upton and aunt of Peggy Hopkins Joyce, internationally known because of her numerous marriages, pulchritude and identification with the stage and movie screen, had been residents of Edenton for 25 years. From March 1916, to June, 1929, Mr. Etheridge served as tax collector here and was well honored and respected in his official and private life.

On Monday of last week Mr. Etheridge was suddenly stricken with pa-

ralysis of the throat and went into a coma from which he never recovered. His sorrowed wife sought inquiry of the attending physician as to the chances of recovery and being told Mr. Etheridge might die any moment she had a sudden heart collapse and became unconscious, also, and died Wednesday afternoon.

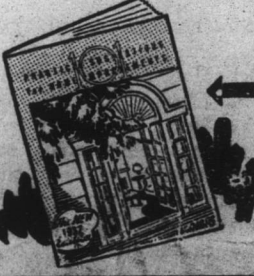

Funeral services for Mrs. Etheridge, which would have been held on Thursday, were temporarily delayed by the family because of the certainty that Mr. Etheridge's life was slowly but surely ebbing away, and on Friday morning at 9:25 o'clock he died, also. Hurdled plans were then made for the double ceremony.

Six children and 13 grand children, and numerous nephews and nieces survive the Etheridges. The former are Mrs. George Harrell, Mrs. George Privott and Mrs. W. T. Satterfield, all of Edenton, Mrs. W. Z. Lackland and Samuel Etheridge, of Washington, N. C., and T. J. Etheridge, Jr. of Oxford.
