AMERICAN LEGION AUXILIARY VERY ACTIVE SINCE ORGANIZATION IN 1931

Membership of 32 Charter Members Has Now Increased to Enrollment of 88

By MRS. W. B. SHEPARD
Seven years and one month ago the local unit of the American Legion Auxiliary, called the Edward G. Bond Post Auxiliary, came into being in Edenton, and has since steadily thrived and flourished and drawn attention to itself as a unit in this great national organization of value and importance.

In July of 1931 a Mrs. Moore of Elizabeth City came here to help effect the organization of the local body. Naturally it started cautiously. A few of the members' wives met at the old court house where the start was made. At the very commencement Mrs. J. W. Davis was named as temporary president to serve until the following October. Mrs. M. P. Whichard was chosen as secretary and Mrs. John A. Holmes was selected as treasurer.

These comprised the first triumvirate of officers and under their guidance the unit sprang quickly into life and in a short time 32 members were secured and a charter was issued to the unit on August 27, 1931.

During the following seven years the unit has grown in every respect. It has made great strides forward under the leadership of its successive presidents: Miss Emma Byrum (now Mrs. F. W. Hobbs), Mrs. C. E. Kramer, Mrs. M. P. Whichard, Mrs. R. E. Leary, Mrs. J. W. White, Mrs. W. E. Baker and Mrs. W. B. Shepard.

In work its program has been one of rehabilitation, community service and child welfare. The Edenton unit has always done its share in helping the state department carry out its rehabilitation plans. It has joined with other organizations in community projects and has done its bit in child welfare whenever opportunity presented itself. In membership the Auxiliary has increased from the 32 charter members to its present enrollment of 88. In this number is included the 12 members of the Junior Auxiliary which was organized under the leadership of Mrs. W. E. Baker and Mrs. W. W. Byrum in 1936-37. The Juniors are an enthusiastic and very much alive branch of the organization.

For the coming year the Auxiliary will have as its president Mrs. D. M. Reeves and under such an able leader the organization is looking forward to a year even greater and fuller with accomplishments and service to the State and community than ever before.

Knows His Business

JIMMY EARNHARDT

Coming to the Taylor Theatre only a few years ago in the capacity of manager, Mr. Earnhardt has gradually increased patronage until now movie fans come from several counties to enjoy pictures and vaudeville shows carefully booked by Mr. Earnhardt. He and his attractive wife have made many friends during their residence here, and are now anticipating soon moving into their new home being erected.

entertainment in the historical town and leave a lasting impression of excellent amusement in the minds of the countless thousands who crowd the theatre twice daily every week.

The Taylor Theatre, celebrated in moviedom since its start in 1925, seats 330 customers at each performance, and during the last year has been made over, and very artistically so, from roof to main floor. The interior has been made particularly attractive with its fine shadings and tinted hues thrown by myriads of colored lights from the ceiling and side walls.

The theatre is modernly equipped throughout, is air conditioned in every way and in the hot days of a torrid summer is kept continually cooled by volumes of fresh air brought in and fanned about by great blowers.

S. W. Taylor and Mrs. Taylor operate the theatre and gave the place its name. Mr. Taylor is a native of Edenton and in addition to his theatrical venture which began in the old theatre on Magnolia street 18 years ago, is a fisherman by vocation.

Mrs. Taylor, formerly Miss Byrum, has stood closely by her husband as secretary and treasurer of the theatre, and was largely instrumental in the recent redecoration and refurbishing of the theatre in Colonial design and colors, and prepared, acoustically, to insure perfect sound renditions.

Jimmie Earnhardt is the manager of the theatre. For several years he was similarly associated in theatre work in Elizabeth City. He is a native of Cabarrus County and is a member of the Edenton-Chowan Chamber of Commerce and the Edenton Rotary Club, and otherwise a popular young resident of his adopted town.
