

Accredited School Now At Merry Hill New Rooms Expected to Be Ready For Open- ing of School

Merry Hill will this year have an accredited high school for the first time in its history. This announcement was made following a recent re-organization by which ten teachers will be employed instead of six as has been the case since 1934. A new home economics room and a lunch room is being added to the building, which it is hoped will be completed by the time school opens on September 12.

The list of teachers who will serve for the coming year are:

First Grade, Gertha Farlowe, of Guilford College.

Second grade, Mary Pruden, of Windsor.

Third grade, Celia Garren, of Hendersonville.

Fourth grade, Mittie Phelps, of Merry Hill.

Fifth and Sixth grades, Marie Riddick, of Hobbsville.

Seventh grade, Ruth Hollowell, of Hertford.

Commercial Course, Hazel Herring, of Goldsboro.

Home Economics, Frances Maness, of Buies Creek.

History and Science, Grady Love, of Wingate. He will also teach English and French.

J. A. Williams, of Merry Hill, is principal and will teach math.

CHEWING GUM ATTRACTS BASS

West Branch, Iowa.—When the usual bait, worms, crawdads and smelly cheese, failed to give her any luck, Mrs. E. W. Erickson wouldn't give up. She put chewing gum on the fish hook, cast and a two-pound bass struck—and stuck.

MAY "JACK" BRIDGE UP

Warsaw, N. Y.—A "crew jack" bridge, which may be raised during times of high waters is being considered for construction over Crystal Brook. Engineers said the bridge could be "jacked" up three or four feet, out of the reach of flood waters.
