

## Chowan Will Have N. Y. A. Exhibit At Raleigh May 19-20

### Miss Adelaide Tuttle, Supervisor, Seeking Participants

Examples of youth work and craft performed in Chowan County will be on display at the N. C. Youth Craft Exhibit and Conference to be held in Raleigh Memorial Auditorium, Friday and Saturday, May 19 and 20, according to Miss Adelaide Tuttle, NYA supervisor for Chowan, Bertie, Martin, Washington and Tyrrell Counties.

The Conference, sponsored by the N. C. Council of Youth-Serving Agencies, will combine an extensive exhibit of handicraft achievements by youths of North Carolina with an open forum discussion program dealing with immediate problems facing young people of today.

John A. Lang, State NYA director, who is also president of the Council of Youth-Serving Agencies, reported to Miss Tuttle that present plans indicate this conference will be highly successful in its efforts to give expression to the works and thoughts of Young Tar Heels.

A number of outstanding speakers from North Carolina and other states have accepted invitations to participate in the discussion forums which are to be conducted all-day Saturday, May 20.

The exhibit of youth crafts, arts and works will be open to the public beginning at 1 o'clock Friday afternoon and will be on display all through the following day.

The conference this year is an outgrowth of an exhibit sponsored in Raleigh last year by the National Youth Administration which was highly successful, according to Miss Tuttle. This year, however, the scope of the affair has been extended, and it is believed that the conference will result in a clearer conception as to the approach to problems of young people in their efforts to adjust themselves to modern conditions.

Any who desire to participate in the display should contact Miss Tuttle at Edenton as soon as possible.

### William P. Jones Rotary President

### Club Defers Action on Change of Hour of Meeting

At last week's Rotary meeting, officers for the new year beginning July 1 were elected which resulted in William P. Jones being elected president and J. Edwin Bufflap, vice president. Added to these to compose the board of directors for the year, David Holton, Earl Goodwin, C. L. McCullers and William M. Perkins were elected.

Mr. Jones, one of the youngest members of the Club, has served well in a number of capacities and is one of the most popular members of the Club. He is a former vice president, and under his leadership, Rotary in Edenton is expected to go forward.

The proposition of changing the hour of meeting was also before the Club, but due to the allotted time being used for the election, this matter will also be decided at tonight's meeting.

as against 498 on Tuesday. Mr. Gardner in the 1937 election received 213 votes compared with 495 this year. The same proportion in increased voting was also reflected in the votes cast for members of the Board of Public Works and councilmen, Fred P. Wood polling the largest vote, 207, for the Board of Public Works, and Dr. Williams leading the vote for councilman with 90 votes.

A special meeting of Town Council will be held Friday night to canvass the vote and declare the election, and on Tuesday night at the regular meeting all city officers who were elected to serve for the next two years including the Board of Public Works, will take the oath of office after the old board transacts the regular business for the month.

Appointments will be made at the regular meeting held in June, which includes town clerk, tax collector, fire chief, employed firemen, chief of police and policemen and various positions in connection with organization of Town Council.

## Legionnaires Plan For District Meet In Edenton May 29

### Department Commander Pennell Principal Speaker

Floyd White, of Elizabeth City, district commander of the American Legion, was the principal speaker at the meeting of Ed Bond Post on Tuesday night in the Red Men's hall. During his remarks, Mr. White stressed the district meeting of the organization which will be held in Edenton on Monday, May 29. For this occasion the department commander, Burgin Pennell, of Asheville, will be the principal speaker and plans for the event are already in the making. The meeting will in all probability be held at Hotel Joseph Hewes, taking the form of a "Dutch" affair.
