

Albemarle League Opens; Locals Win Over Perrytown

Jordan Allows Only 7 Hits; Final Score 9 To 5

Edenton won the Albemarle League opener in Perrytown, Bertie County, Sunday afternoon as Lester Jordan, local right-hander, unlimbered his pitching arm through nine innings to allow the Perrytown boys seven hits while Edenton gathered ten. The score was almost tied up through the sixth, standing at that time at 3-2 in favor of Edenton and it looked like a real ball game. At the end of the ninth, however, Edenton was the winner, 9 to 5.

This is not the old-time Albemarle League when Edenton, Hertford and Elizabeth City hauled in all the best professional baseball material they could find. The six teams composing the present Albemarle League are made up of local talent exclusively and the boys are playing for the pure love of the game.

An organization meeting held in the Hotel Joseph Hewes late in April, and a later one held in Plymouth, according to Floyd Cayton, manager of the local club, culminated in the setting up of a schedule whereby each of the six teams will play three games a week, and whereby all teams will be made up entirely of local boys, some home from college and some still in high school.

Edenton's next games are with Windsor there on Saturday afternoon at 3:30, and with Windsor here on Sunday afternoon at the same hour. The game will be played here in the Mill Park. Perrytown comes to Edenton for a return game on Friday afternoon.

Though Perrytown used its star twirler Miller in the tangle with Edenton Sunday afternoon, the initial win gives the locals something to work on, with an advantage to start. The season will end in a blaze of action near the middle of August as the four leading aggregations will enter into a 3-game play-off and then climax in a seven-game series between the two high clubs.

The pitching power in Edenton, supplementing Jordan, who twirled to glory Sunday afternoon, is made up of K. Wright and Buster Wozelka. Both will probably have an opportunity to show their wares in the two scheduled games over the week-end, according to Manager Cayton. Other members of the local club feature as catcher, Wilbur Wheeler; Tom Ambrose holds down the initial sack, and Buck Wheeler is stationed at second base; Little Bud Cayton has the hot corner, and E. Ambrose is at short-stop. Patrolling the outfield are Harry Lassiter, at left; Clyde Cates (captain) at center; and Mac Spruill in right field.

Edenton is the only club on the north side of the Sound in a berth on the Albemarle program. The other clubs placed in the league are Perrytown, Plymouth, Oak City, (Martin County) and Scotland Neck.
