UNCLE NATCHEL SAYS:

NATURAL food means natural nourishment, natural growth, natural health.
That's why natural plant food is so important for every crop you grow.
Chilean Nitrate of Soda is the only natural nitrate in the world. Its quick-acting nitrogen, combined with its natural balance of protective elements, nourishes your growing crops and helps to keep your land in good producing condition.
Always use plenty of Natural Chilean Nitrate of Soda—in mixed fertilizer under your crop; for side dressing, too. No price increase all this season and there is plenty for everybody's needs.

I LOOKED LIKE A WILTED WEED

BEFORE I began wearing a HANES Undershirt on warm days, I used to look like a dishrag by afternoon. I felt clammy and uncomfortable, too.

Now, a cool HANES Undershirt takes the wet out of sweat. Its soft, absorbent knit rests on my chest as lightly as a breeze but blots up the perspiration. Evaporation is even and rapid. I feel as cool as a sail on a boat. And my top-shirt stays a whole lot neater.

Gentlemen, HANES Shirts are knit to fit snug across your chest and back with a trim, elastic feather-touch. And they have plenty of length to tuck down inside your shorts without creeping up to wad at your waist.

For matched comfort, wear them with HANES Crotch-Guard Sports or Shorts or with HANES broadcloth Shorts. Have your HANES Dealer show you these comfortable garments today.
