Scoutmaster Sees Opportunity For Scouts Of Section

Seventeen members of Creswell Boy Scout Troop No. 101 arrived home Sunday afternoon reporting a good time in spite of the inclement weather which prevailed during their stay at the Kinston Camporee. Scoutmaster Sidney Smithson agreed with other Scout leaders that it was the best camporee yet.

The Creswell Troop has recently had five new members added. Each of these five boys was ready to pass the tenderfoot test. They are: Alton Harris, Edwin Norman, Charles McGowan, Leon Hassell and Albert Norman.

Scoutmaster Smithson feels that there is an opportunity for the Scouts of the Southern Albemarle to accomplish much, especially since the Resettlement Administration has leased to them for 20 years the lovely lot on Lake Phelps with a two-room hut and 39 acres to be used for nature study and other scout activities.
