

## Colored Football Team Plays First Game On Friday

### Rich Square Aggregation Will Invade Local Gridiron

While the Edenton Aces are trying to give a good account of themselves against the undefeated and unscathed-on Elizabeth City Yellow Jackets on the latter's gridiron Friday afternoon, the Edenton colored high school football team will be playing its first game of the season on the Edenton field. The opponent will be Rich Square High School and from advance reports the game should be a battle royal.

Coach Walter Slade, new coach at the Edenton school, has a handicap similar to that of Coach Jimmy Maus at the white school in that he has a group of light and inexperienced material with which to build up a formidable machine. Only four veterans appear among the squad of recruits around which nucleus the team had to be developed. The boys have been practicing faithfully for several weeks, however, and while Coach Slade and his boys are making no predictions as to the outcome of Friday's game, if hard practice means anything, they figure they will have a fighting chance to win the first game.

The starting whistle will be sounded at 2:30 o'clock, and with the cheering squad all primed for the opener, the game should be very exciting.

### Big Clipping Agency Enjoys Chowan Herald

If you were to visit Burrelle's Press Clipping Bureau in downtown Manhattan, you'd find a hundred young girls doing nothing but reading newspapers and magazines. The officers, which overlook the Hudson River, are as quiet as a library reading room, and all you see are newspapers stacked in piles ready to be read and clipped. Harold Wynne, a young college graduate who is president of this unusual organization says: "Our girls enjoy reading The Chowan Herald because it contains so many interesting items about our clients."

Burrelle's Press Clipping Bureau was started back in 1888 with two readers and a handful of papers. Frank Burrelle, the originator of the clipping bureau idea and founder of Burrelle's, overheard one man ask another if he had seen the article in the morning paper which mentioned his name. From this conversation began an organization which today has branch offices all over the world and spends more than \$40,000 a year for newspaper and magazine subscriptions.

### CRESWELL POSTOFFICE TO SOON CHANGE QUARTERS

Within the next 60 days Creswell post office will take up establishment in the brick building on Main Street now used by Dr. J. M. Phelps as his office and clinic. This building was originally built as headquarters for The Peoples Bank and, with minor changes and improvements, will make a very attractive post office adequate to the needs of a town much larger than Creswell.

### ANY MORE LIKE THIS

Washington.—In order to raise money for defense, M. J. Mickey of Los Angeles, has suggested that a Federal tax of \$1 per letter be levied on all last names of more than six letters.
