Committees on Civilian Protections are being organized in every city over 2,500 population, with chairmen of each committee expected to be willing to study and plan for any emergency duties. The organization provides that the chairmen be instructed in their particular duties and their opportunity for service, which means that instructors must be trained in their various fields and they, in turn, must direct the training of others until all are taught the idiments at least of personal and ommunity protection.

In connection with the committee t is also important that a small and very select group be appointed to work with the law enforcement offiers to be on guard against subverive acts and sabotage. This com-mittee must be kept confidential and should work with great care and re-straint, but at the same time with absolute thoroughness. Mayor McMullan informed Director

Johnson that he is of the opinion that the committee is necessary and that the Edenton group can be depended upon to cope with any emergency which may arise.

Bank Of Edenton To Have Two-day Holiday Employees of the Bank of Edenton will enjoy a two-day holiday for Christmas, the bank being closed all day Friday after Christmas. All patrons of the bank are urged to re-member this holiday and transact their business accordingly.

County Offices Closed Two Days Next Week All County offices will be closed Friday after Christmas in order to allow a double holiday for all County employees. Any important business to be transacted on Friday should, therefore, be attended to on Wednesday.
