

PTA Holds Final Meeting Of Year Monday Afternoon

Fashion Show Delightful Feature of Last Meeting

MUCH BUSINESS

Mrs. John F. White Assumes Presidency of Group

Meeting for the last time for the school year, the Edenton Parent-Teacher Association enjoyed a fashion show as a principal feature Monday afternoon. The show was a splendid affair, being staged by students of the home economics class, under the direction of Miss Josephine Grant, the teacher. The show was in the form of a Lil' Abner skit, during which dresses of many different types were worn, all of which were made by the class and reflected splendid work on the part of the students.

During the meeting all old officers submitted reports showing that the affairs of the Association are in splendid shape. Included in the business transacted was the adoption of resolutions of respect to the family of W. H. Hudson, who died suddenly during the year. The Association also went on record as favoring the retention next year of Miss Myrtle Waff as librarian and voted that fire drills should be held at the school at least once a month.

The Association also entered in the minutes recognition of the Edenton debaters, Nelle Skinner, Margaret Griffin, Fontaine Pettus and Winifred Hollowell, who reached the semifinals in the recent triangular debate held at Chapel Hill.

Appreciation was also extended to the following for furnishing fertilizer used in the garden project: J. Clarence Leary, Byrum Hardware Company, John G. Wood, Lloyd Bunch and M. S. Elliott.

Recognition of the splendid work done by C. L. McCullers as director of the school band was made during the meeting, and before Mrs. W. D. Pruden, retiring president, turned the meeting over to Mrs. John F. White, new president, a rising vote of thanks was extended to Mrs. Pruden for her splendid service as president.

Mrs. White, in taking over the presidency, asked for the cooperation of the members and announced the following committees and the chairmen:

Lunch Room—Mrs. Charlie Morgan.
Program—Mrs. W. D. Pruden.
Welfare—Miss Gladys Hester.
Finance—Mrs. Albert Byrum.

Membership—Mrs. J. Clarence Leary, Mrs. Wallace Goodwin, Mrs. Thomas B. Wood, Mrs. West Byrum, Mrs. J. Frank White, Jr., Mrs. Philip McMullan and Mrs. Shelton Moore.
At the conclusion of the meeting dainty refreshments were served by members of the home economics class.

Norma Perry and Frances Jordan Win Watches At Campen's

Following a custom of many years standing, Campen's Jewelry Store again this year awarded two watches, one to a lucky graduate at Edenton High School and the other to a Chowan High School senior. The unique plan is to place the pictures of students in a circle with a hand of a clock making the round until the clock runs down. The hand this year stopped on the picture of Norma Perry at the Edenton school and on that of Frances Jordan at the Chowan High School, and each of these young ladies will receive from the Campen concern a beautiful Gruen watch.

The idea every year creates a great deal of interest among the students, as well as their friends as they stop and wonder just where the hand will stop.

Two Delinquents In List Due To Error

In the list of delinquent tax payers of 1941 taxes, published in last week's issue of The Herald, two names appeared by error. These were Sidney Campen in the First Township and J. S. Turner in the Second Township, both of whom paid their taxes and their names should not have appeared. The Herald regrets the error and gladly makes this correction.

TRACING ANCESTORS

Mrs. Guy Withers, of Washington, D. C., is a guest at the Hotel Joseph Hewes while in Edenton tracing her ancestors. Mrs. Withers' husband is a retired Major in the United States Army.

Creswell Lunch Room Nets Profit

Project Reason For Considerable Pride on Part Of Community

Besides \$8.95 profit on a P. T. A. dinner, the Creswell Lunch Room reports a profit of \$104.52 during the past school year.

Mrs. Alice Gatlin, local supervisor of the project, reports 10,657 free lunches, 5,140 exchange and 19,735 paid lunches served. She reports \$76 of the profit to have been used for payments on electric refrigerator. Other expenditures were made for glasses, forks and spoons, mops, broom, dish pans and for general expenses including transportation of surplus commodities from Windsor. A balance of \$16.85 is now in the treasury.

Patrons and friends of the school feel that Mrs. Gatlin and her helpers should be commended for their efficiency and the economy evinced by their ability to serve nourishing lunches to so many under-privileged and still, in spite of increases in food prices, net profit on sale of paid lunches for which only 10 cents was charged.

In addition to serving good lunches, they have kept the lunch room immaculate and attractive. Potted plants and cut flowers, pretty curtains and other personal touches have lent charm to the room. Visitors from Raleigh and other large towns have marvelled at finding so attractive and well-equipped quarters for a lunch room operated in a small town. Particularly have they expressed surprise and admiration for the refined and capable personnel of this project.

Difficult Life Faces Young People Rev. Cale Tells Seniors

Dr. H. Haddon Dudley Speaker at Closing Exercise Friday

TRYING TIMES

Speaking before a large congregation in the school auditorium Sunday night, the Rev. Frank Cale, preaching the 1942 baccalaureate sermon, told the Edenton graduates that because of the present trying times, graduates face a very different life and for that reason it is essential to remember and turn to God in their youth. This, he said, is necessary in order to be properly equipped to meet the trials in later life, so that old age can be enjoyed in the knowledge of a well-spent and profitable life. "It is so easy now," said the speaker, "to be tempted and it requires character and courage to say no and stand true in these vexing days. Sorrow too deep for words is sure to come to each one and you will need the sort of assurance and fortitude which God only can provide to keep from going to pieces morally and spiritually."

During the service several numbers were rendered by a school chorus. The Rev. E. L. Wells offered prayer, the Rev. W. C. Benson read the Scripture and the Rev. C. A. Ashby pronounced the benediction.

Class day exercises will be held in the school tonight (Thursday) at 8 o'clock, which will be featured by a patriotic pageant, as well as the usual class day features.

Graduation exercises, which terminate the commencement season, will be held Friday night at 8 o'clock, when the principal speaker will be Dr. H. Haddon Dudley, president of Chowan College at Murfreesboro. Both of the remaining exercises are expected to draw capacity houses.

"Over Here" Will Be Sung Tonight On Court House Green

With apologies to "Over There," Mrs. Julien Wood has arranged the following "Over Here," which will be sung on the Court House Green tonight.

Johnnie watch the Hun,
He's not done! He's not done!
He has another game,
But his aim is the same.
And his minions may be found
Working with him under ground.
Our flag of freedom flies
Where he cries all his lies.
He gathers up the foes
Of our friends as he goes,
All their hatreds turned to one
For the purpose of the Hun.

Refrain:
Over here! Over here!
Speak the word to be heard Over Here!

If our foe is shirking,
While we are shirking,
The danger's lurking very near.
Make it clear: "Freedom's dear!"
Speak the word to be heard, make it clear!

It is spoken!
It shan't be broken!
And we won't let go till he lets go Over Here!

The joy of freedom flowers
In this land which is ours,
Hear the children's mirth
In the fields; by the hearth!
Let us guard them, you and me,
In the land of liberty.
Keep them safe and glad,
Our women free from wrong—
We belong! We are strong
To protect them night and day
From the fiends that would betray.
Refrain:

Dr. Warren Explains 'Professional Jealousy'

(Continued from Page One)
this, I will take up a case of Dr. O. L. Holley, a colored woman who lives at Valhalla Station, N. C. Dr. O. L. Holley called Mrs. McMullan and reported this case to the Relief Department and asked me to go up to see her, which I did, and from examination I found her suffering with pelvic inflammation (pus tubes, etc.) which I would say about 25 to 50%, not to be exact, are suffering with this trouble. When I got to my office I called Dr. O. L. Holley and told him that I examined this case and suggested treatment for him to follow and told him I couldn't recommend this case as an emergency hospital case. In about two weeks I called Dr. Holley and he said that this case was getting along nicely. The reason I have reported this case to the Commissioners in April was because I thought the Annie Owen, Dr. Williams' case might come up and the Commissioners might say that I didn't want to approve Dr. Williams' cases but approved Dr. O. L. Holley's case. The cases that I don't recommend to go to the hospital I don't usually report to the Commissioners, but could report

three or four cases by name, if necessary, of Dr. Williams' cases. Three I remember he wanted me to approve to send to the hospital that got better and didn't have to go.

"Mr. D. M. Warren accused me that while my mother was ill that Dr. Williams reported a colored boy, by name Waddell Bond, up the County. Yes, that is so, but his diagnosis was acute appendicitis, but this case was ruptured before it got to Dr. Williams' office or mine. So it didn't get to my office in acute stage and that I didn't hold it up and it ruptured, because Dr. Taylor said that this was a ruptured appendix five or six days before Dr. Williams or myself ever saw it. I sent the patient to the hospital and he is living and I heard he was working at Elizabeth City, N. C., in defense work getting about \$45.00 per week.

"Now I guess I have saved the County \$1,000.00, rough estimate, by holding back all the doctors' patients that were not emergency cases and that would pay a County Physician's salary of \$25.00 per month a little over three years, which I guess is the smallest salary paid to any county physician in any county in the State.

"I realize that in the past all county physicians approved emergency cases under the Relief Department before going to the hospital. "As I understand it, now the new set up by the County Commissioners is as follows:

"If a doctor thinks he has an emergency case that should go to the hospital under the Relief Department, he is to call Mrs. McMullan and she, Mrs. McMullan, acting head of the Relief Department, is to report the case to the County physician, Dr. Warren, and he examines the case, say for Dr. Williams, and doesn't agree with Dr. Williams that it is an emergency case. Then Dr. Williams can call up Mrs. McMullan and cry a little and if he cannot get it by Mrs. McMullan then he can call up Mr. D. M. Warren, chairman, and cry a little and tell Mr. D. M. Warren that he doesn't want to take so much responsibility on himself and how about his case going to the hospital. Then, what will happen? Mr. D. M. Warren will have to decide whether I am right or Dr. Williams is right. I will admit that Mr. D. M. Warren is a good Chairman of County Commissioners, but I must say that he is putting right much responsibility on himself now."
