**Kidneys Must  
Work Well—**

**For You To Feel Well**  
24 hours every day, 7 days every  
week, never stopping, the kidneys filter  
waste matter from the blood.  
If more people were aware of how the  
kidneys must constantly remove sur-  
plus fluid, excess acids and other waste  
matter that cannot stay in the blood  
without injury to health, there would  
be better understanding of why the  
whole system is upset when kidneys fail  
to function properly.  
Burning, scanty or too frequent urina-  
tion sometimes warns that something  
is wrong. You may suffer nagging back-  
ache, headaches, dizziness, rheumatic  
pains, getting up at night, swelling.  
Why not try Doan's Pills? You will  
be using a medicine recommended the  
country over. Doan's stimulate the func-  
tion of the kidneys and help them to  
flush out poisonous waste from the  
blood. They contain nothing harmful.  
Get Doan's today. Use with confidence.  
At all drug stores.
