"Well, it's your own fault, Bill. You wouldn't be shivering if you'd changed from Summer underwear to middleweight HANES WINTER SETS, as I did."

He's right. These garments keep you warm outdoors without being too hot indoors. Particularly comfortable if you're conserving fuel with a cooler house this Winter.

You also have the gentle athletic support of the HANESKNIT Crotch-Guard. Conveniently placed opening. Flexible waistband. You're really unaware of underwear.

Kidneys Must Work Well

For You To Feel Well

24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood.

If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.

Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at nights, swelling.

Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful, Get Doan's today. Use with confidence. At all drug stores.

We went to the New England States last week and bought several first class Used Cars and Pick-ups, and made connections whereby we can get just what you want in four days, subject to your approval. We will be glad to have you call and see us.
