

"Sorry- I'VE DONE ALL I CAN"

Don't tell that to the Invasion Troops!

3RD WAR LOAN

15 BILLION DOLLARS
(Non-banking quota)

AMERICA is proud of the way you answered her call for help. In the First and Second War Loan Drives you opened your hearts—and your purses—and invested generously.

But this is no time to say, "Sorry, I've done all I can."

Not when our troops are smashing ahead.

Not when the cry from every front is for *more* tanks . . . *more* guns . . . *more* planes to strike the knockout blow.

Today, everyone who possibly can, must invest in at least one extra \$100 War Bond. *More* if you possibly can. That's in addition to your regular War Bond subscriptions.

A big job? Yes! But INVASION is a big job, too! And that's what the 3rd War Loan is for—INVASION!

And it's for your loved ones, too . . . for the sons and brothers, sweethearts and husbands who are doing the fighting.

Can you look into your heart and say to *them*, "I've done all I can"?

Can you tell *that* to the Invasion Troops?

Of course you can't! No true American could! So now . . . when America needs your help as it never has in all history . . . make up your mind to do **MORE** in September. Invest in the safest way in the world! Invest out of current income, out of idle or accumulated funds. Back the invasion with at least one *extra* \$100 War Bond this month.
