IN PUBLIC OFFICE

EVER FOUND LOYAL  
AND TRUE

ALWAYS PROMOTED  
MEASURES FOR  
THE COMMON GOOD

HONEST AND  
FAITHFUL SERVANT  
OF THE PEOPLE

Cameron Morrison has filled the offices of State Senator, Governor, United States Senator and Congressman, and in each capacity has made a record of which North Carolina is justly proud.

Cameron Morrison is responsible for the great State Highway system and is nationally known as the "Good Roads Governor."

Cameron Morrison's contributions to the State's educational system are notable.

Cameron Morrison was a member of the Home Owners Loan Corporation that saved so many homes of the people from foreclosure and loss, and the Reconstruction Finance Corporation Act, that saved thousands of businesses, large and small, from bankruptcy and destruction.

Cameron Morrison served on the Naval Affairs Committee, where he has rendered signal service in matters relating to the prosecution of the war.

Cameron Morrison has engaged in practical farming since 1925, and has set an example in modern farming that has been of untold benefit to the farmers of North Carolina.

Cameron Morrison has been "tried and tested" in public office and has ever been found "loyal and true" and he has never espoused a cause or promoted a measure that he did not believe to be "for the common good."

Cameron Morrison's nomination and election to the United States Senate in the May Primary will give our State and the Nation a wise, true and faithful servant in the critical times that lie ahead.

Cameron Morrison solicits your vote and support for the United States Senate "on his record in public office," and—

Cameron Morrison's ability and experience warrants your vote and support in the May Primary.
