Chowan County will again participate in the annual fund-raising ap-peal of the National Foundation for Infantile Paralysis, with a house-tohouse canvass, scheduled to begin next Monday, January 22. This plan has again been adopted as the principal means of raising Chowan County's quota in the nation-wide campaign to raise funds with which to fight infantile paralysis. Of course, many other plans have been adopted elsewhere to raise funds, but J. Edwin Bufflap, chairman of the Chowan County Chapter, is of the opinion that here in Chowan solicitation for contributions is as simple and as successful as any other arrangement.

Mr. Bufflap very rejuctantly accepted the chairmanship this year, due to the pressure of so many other duties, but following an appeal from Dr. Ralph McDonald, and Mrs. Phillips Russell, State
