Linwood Ward Gets CAA License In Miami

Linwood Ward, son of Mr. and Mrs. E. L. Ward, returned Sunday from Miami, Fla., where he took an examination in aircraft engine mechanics given by the Civil Aeronautics Administration. Young Ward made a splendid mark in the examination and was subsequently granted a license by the CAA.

Prior to going to Miami for the examination, Mr. Ward completed a 1,200-hour course at Embry-Riddle School of Aviation at Miami, and received a diploma following completion of the course. He is scheduled to be inducted into the Army and is hopeful that he will be assigned to the Air Corps.

CATHOLIC SERVICES

The most holy sacrifice of the mass is offered every Sunday throughout the year, including Holy Communion, sermon, prayers for peace, concluding in 45 minutes, preceded by half hour's confessions, in St. Ann's Catholic Church, stated the Rev. Father Francis J. McCort, rector, who invites everybody to all services.

The usual Lenten devotions will be omitted this Friday and Sunday, but will be resumed the following Friday and Sunday.

When Your Back Hurts

And Your Strength and
Energy Is Below Par

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

RED CROSS WAR FUND DRIVE STARTS MONDAY

(Continued from Page One)

King St. Mrs. Eva Alexander. It is generally known that Chowan County's quota this year is \$6,700, which means that there will have to be no little generosity on the part of Chowan County people if the quota is to be reached. The county claims the reputation of never having failed to meet any quota in connection with the Red Cross and Chairman J. Clarence Leary and his co-workers hope that this year will be no exception. They realize that many recent requests have been made for contributions and outlay of money, but because of the importance of Red Cross work, especially as regards men and women in uniform, they feel confident that Chowan will again live up to its past reputation of supporting any and every worthy cause.
