W. J. Taylor Again Chairman Of War Fund For Chowan

P. S. McMullan and Mrs. George Hoskins Will Serve Again, Too

DRIVE IN OCTOBER

Chairman Plans Same Method and Organization as Last Year

W. J. Taylor has again agreed to serve as chairman of the United War Fund drive for Chowan County, having been nominated and unanimously elected at a meeting held in the Municipal Building Monday afternoon. Mr. Taylor was reluctant to accept the nomination due to so many other duties, but when assured of the assistance of others present he agreed to serve. Mr. Taylor was chairman last year, when the local drive was very successful, contributions going far beyond the quota set for the county.

Present at the meeting were Mr. Taylor, J. H. Conger, E. W. Spires, C. W. Overman, Philip McMullan, Mrs. George Hoskins, Miss Rebecca Colwell and J. Edwin Buffal.

Mr. McMullan was elected and agreed to again serve as secretary and Mrs. Hoskins was also re-elected as treasurer.

J. Henry Leroy of Elizabeth City is chairman of District 13, which includes Chowan County, and he called a district conference in Elizabeth City Tuesday of this week, which was attended by Mr. Taylor and Mr. McMullan. At that time many important matters pertaining to the drive were ironed out. A feature of the conference was an address by Charles D. Hervey, a speaker of national reputation who told in detail some facts regarding the benefits from the War Fund, placing particular emphasis upon War Prisoners' Aid.

The campaign will not begin until October, but the ground work is now being laid, so that when the proper time arrives there will be no delay in getting started. Mr. Taylor said he plans to use about the same system and organization as last year. County Agent C. W. Overman and Miss Rebecca Colwell, home demonstration agent, will handle the drive in the county, while the organization in Edenton will be announced later.

Bond Rally

In order to stimulate purchases of E bonds in the Seventh War Loan and thus contribute to Chowan County meeting its goal of \$141,000 of this series of bonds, a bond auction and rally has been planned for Tuesday night on Broad Street in front of the Bank of Edenton.

As in a former bond auction, valuable items have been donated by merchants and business firms which will be auctioned off for the largest amount of bonds sold. Francis Hicks, local auctioneer, will again sell the bonds.

H. A. Campen is in charge of the auction, with his group of assistants comprising J. A. Bunch, W. E. Malone, Sidney Campen and J. R. Tanner.

To help stimulate interest in the event, Mr. Campen stated Tuesday that he was reasonably sure the crack Elizabeth City High School Band will be on hand to furnish music and enliven the affair.

CASU Continues Winning Streak To Top Service League

Wins Two Hard Fought Games Over Windsor And Harvey Point

14 VICTORIES NOW

Another League Game Next Sunday On Hicks Field

Baseball fans in Edenton were treated to two first class games over the week-end, on Hicks Field, when the CASU team of the Edenton Naval Air Station defeated Windsor 3 to 2 Saturday afternoon and Harvey Point Auxiliary Air Station Sunday afternoon 3 to 1. The two games marked up the 14th victory of the season for CASU to only one defeat, which was at the hands of the Jackson Outfit.

As the result of Sunday's game, CASU maintains an undefeated record in the Service League, it being the sixth consecutive victory to no defeats. The team leads the league.

The game with Harvey Point was a nip and tuck affair, with the winner in doubt until the final out in the ninth inning. The visitors scored first in the third inning and remained in the lead until the fifth inning, when CASU knotted the count at one round each. In the sixth CASU, aided by two costly errors, scored two more runs, which ended the scoring for both sides.

Asmer, on the mound for CASU, was touched for 11 safe bingles, but in the pinches he tightened up and on several occasions fanned batters when a hit would have meant runs. Asmer retired nine opposing batters by way of the strike-out route.

Switz, Harvey Point hurler, was very stingy with hits, the CASU batters securing only six safe blows. He struck out only one batter, but kept hits well scattered, and but for costly errors, would have had the upper hand of the game.

Lenbo, behind the plate for CASU, played his usual bang-up game, while Schmierer, on the receiving end for Harvey Point, also played a splendid game. The game was full of thrilling plays of about every kind expected in a ball game.

Saturday afternoon's game developed into a pitcher's duel between Brown, on the mound for CASU, and Ted Miller, veteran Bertie County hurler. Brown gave only four scattered hits, while Miller allowed five. Windsor took the lead in the third inning, when two runs were scored. In their half of the same inning, CASU managed to send one runner across home plate. The score stood 2-1 in favor of Windsor until the seventh, when two errors by Windsor contributed two more runs, scored by CASU, the winning run coming in on a perfect hit-and-run play.

Brown was ably supported back of the plate by Lenbo, while G. Hoggard was on the receiving end for Windsor. This week's schedule for CASU calls for all games played away from home until Sunday afternoon, when another league game will be played on Hicks Field, starting at 2:30 o'clock. In this game CASU will meet the Patrol Plane Base of Elizabeth City. Crowds at the games on the local diamond have been increasing and all who attended thus far have been treated to a specimen of very good baseball.

Criticism Registered at Operation of School In Edenton

NO SALARY BOOSTS

Councilmen In Favor of Proposed Recreational Program

With several matters brought before Town Council Tuesday night, the Councilmen remained in session far beyond 11 o'clock, during which all present town employees were reappointed for another year, and various officials of the Council were also reappointed.

This phase of the meeting required quite a little time because it involved the matter of setting salaries. After considering the matter at length, it was decided to let all salaries remain as they were last year. With that problem out of the way, very little time was consumed in reappointing all employees and various officials of the Council.

J. Clarence Leary was named Mayor pro tem. R. E. Leary was reappointed as Town Clerk and Miss Louise Coke was appointed as tax collector. Other appointments were: W. D. Pruden, town attorney; R. K. Hall, fire chief and building inspector; W. M. Wilkins and J. P. Partin, finance committee; J. R. Tanner, chief of police; J. Edwin Buffal, street commissioner; W. J. Yates, assistant fire chief; Graham Byrum and W. J. Yates, parks and playgrounds committee.

John A. Holmes, representing the Edenton School Board, appeared before the Council requesting a salary supplement to employ a physical recreation director on a 12-months basis. Mr. Holmes explained that what money is appropriated for an organized and supervised recreational program would result in dividends in later years. He said such a program would most assuredly have an uplifting effect among the youth of the town, especially those in the teen age.

At present a recreational program is carried on in the school for nine months and after that there are precious few places for the youngsters of that age to spend their time. Under the proposition advanced by Mr. Holmes, a physical training director would be employed on a 12-months basis, so that a program would be in operation when school closes.

Roughly, Town Council will be obligated to appropriate \$600 to inaugurate the program. The idea was favorably received by the councilmen and the matter was referred to the Finance Committee to be considered in making up the budget.

It was while discussing the school supplement that no little criticism was directed at the operation of the Edenton school. Included in the criticism was a charge that there is very little discipline in the school, that in some cases students are passed to higher grades without taking examinations when their work does not warrant advancement. It was further charged that graduates leaving the Edenton school are far below par when entering college, and for that reason some students are not given the opportunity to graduate in Edenton but instead are sent to preparatory schools, when the same training should be given locally.

Another criticism was directed at the teachers for apparent lack of interest in the Parent-Teacher association. It was stated that possibly (Continued on Page Five)
