

Number Of Vexing Problems Confront Town Councilmen

Petitions Signed Asking For Passing Zoning Ordinance

Quite a few vexing problems confronted Town Councilmen at the December meeting held Tuesday night, among which was the revival of a desire to adopt a zoning ordinance. The petition was the outgrowth of general belief that the Chowan Motor Company planned to purchase the Satterfield lot at the corner of Broad and Gale streets for the purpose of

erecting an automobile show room and garage. The petition, in the main, objected to "the encroachment upon sections of the town which are and should be restricted to residential purposes only." Signatures on the petition included: Mrs. E. R. Marriner, Miss Sarah H. Jones, Mr. and Mrs. John A. Holmes, Mr. and Mrs. R. A. Chappell, Agnes Chappell, Rev. and Mrs. R. F. Surratt, Mrs. E. S. Norman, Mr. and Mrs. J. N. Oglesby, Mrs. Henry Powell, Mr. and Mrs. H. S. Zeigler, Mr. and Mrs. G. B. Potter, Mrs. J. Lester Forehand, Mrs. Chas. L. Russell, Mrs. R. L. Pratt, Paulina Hassell, Mrs. W. E. Harrell, Mrs. W. H. Coffield, Mrs. W. S. Summerell, Mrs. Sidney McMullan, Mrs. Minton Warren, Margaret H. Pruden, John M. Beatty, Mrs. John M. Beatty, Mrs. R. E. Forehand, Mrs. R. G. White, Mrs. Sam F. Teague, Jr., Mrs. M. F. Bond, Jr., Mrs. J. L. Wiggins, Mrs. J. N. Pruden, Mrs. M. S. Elliott, Kate E. Copeland, Margaret E. Coffield.

No little time was devoted to considering the matter, but inasmuch that it is believed the concern had abandoned the idea of locating on the lot, the zoning idea was tabled after Mayor Leroy Haskett stated that he had conferred with the Attorney General and the Institute of Government, and was informed that to adopt a zoning ordinance it would be necessary to begin all over again by holding a mass meeting, drawing up an ordinance and all the ramifications which demanded so much time and effort several years ago.

Another matter which consumed quite a bit of time was the proposition advanced by the Board of Public Works having to do with the purchase of a 12 foot right of way from Mrs.

Fred Drane back of the business houses on the east side of lower Broad street, the purpose being for the business houses to pay for the land which would provide a rear alley. Some discussion ensued as to whether the business people could be compelled to pay the proportionate part, which is estimated to cost about \$20 a foot, this amount including a cyclone fence along Mrs. Drane's line. Finally the councilmen voted to authorize the purchase of the land by the Board of Public Works, but no action was taken concerning payment on the part of these merchants concerned.

With the local Ration Board scheduled to practically go out of business Saturday, Albert Byrum requested quarters for one clerk which if provided would prevent the entire office being moved to Elizabeth City. Of course, the only rationed items now are tires and sugar, but it would cause no little inconvenience on the part of Chowan County people to travel to Elizabeth City for their requirements. Finally it was agreed to allow the Ration Board to use the Council Chamber, in the hope that at least this would soon be taken from the rationed list. "Rationing started in the Council Chamber," said Mr. Byrum, "and it would be rather appropriate for it to end there."

Following a report that newcomers at the base become confused due to lack of street signs, Mayor Haskett was instructed to make a survey to determine how many streets are unmarked.

J. Edwin Bufflap and W. M. Wilkins were appointed to investigate a request from Wood Privott relative to piping a big ditch crossing private property leading from Oakum street to the railroad. Mr. Bufflap was also instructed to contact Attorney W. D. Pruden relative to the proposed project of having streets and drainage.

The matter of some form of retirement was presented, but after brief consideration it was decided to refer the matter to the Finance Committee when the next budget is made up.

building, will move to new quarters. The new location will be the one-story building back of the Citizens Bank which was formerly used by the Albemarle Observer, owned by H. L. Story, now located in Marshall, N. C. Reason for the change is due to the fact that the old hotel building was several months ago purchased by the Belk-Tyler Company to be torn down and replaced by a modern and up-to-date store.

THEY STARTED RIGHT... ON PREMIUM ULTRA-LIFED LAYING MASH

MY DEAR, the right start is so important! And of course, nothing could be more right than Ultra-Lifed Laying Mash! Why the whole barnyard is talking about it, it's just filled with vitamins and minerals and other precious things. You should see how the new pullets are producing! . . . Even we older girls! Why with such a diet old Jake the rooster could almost lay an egg! Of course the Boss is thrilled beyond words — says he simply can't keep up with us. That Ultra-Lifed Laying Mash is magic!

It's not only the immediate step-up in egg production which counts; it's the long-range results as well. Ultra-Lifed Laying Mash can increase egg production quickly. But more than this, so scientific and complete a combination of vitamins, rare minerals and proteins, it returns the elements lost by the hen in the process of reproduction. Ultra-Lifed Laying Mash is a definite aid in combating this condition. Why not switch to Ultra-Lifed Laying Mash at once.

Drive At Colored School Nets \$700.19

Faculty And Student Body Thank Public Support

As the result of a recent drive at the Colored High school to secure funds with which to equip the football boys with uniforms and play apparatus for the playground, it was announced this week that donations amounted to \$700.19.

Mrs. Fannie Badham and Miss E. E. Foreman solicited from all business firms, who contributed \$244. The Student Council had charge of the drive in the school, where the various classes contributed \$325.82. Members of the faculty solicited various streets in the city and secured \$131.37. The faculty and student body are greatly pleased with the success of the drive and desire to thank the public, both white and colored, for their loyal support.

D. B. Liles also contributed some almanacs to the school, for which teachers and students express their thanks and appreciation.
