**Edenton**

Scouters of the West Albemarle met Sunday to discuss appointments to fill the staffs of the District Operating Committees. Richard Baer, who was re-elected to the post of District Chairman presided. The following district leaders were present: H. A. Campen, Geddes Potter, Dr. Allen Bonner, Philip McMullan and Charles Griffin.

A big delegation from the West Albemarle is planning to be present at the annual meeting of the Tidewater Council which will be held on Sunday, January 20, in Norfolk.

Chairman of camping and activities, Charles Griffin, of the West Albemarle announces that tentative plans have been made for two huge camporees, patterned after those held this past year at Kitty Hawk, which is one of the most historical spots in the country. Richard Baer has offered one of his huge trucks to transport the Scouts. Mr. Griffin feels sure others will provide transportation also if needed. Parents of the Albemarle certainly can be proud of the caliber of men who are heading up Scouting and providing leadership for their

boys. To cite a few without detracting from any of our fine leaders, all types of professions and walks of life are represented. Superintendents of schools, pharmacists, coaches, newspaper publishers, salesmen, lawyers, teachers, farmers, business men, ministers, Coast Guard pilots and chief petty officers, F. B. I. agent, postmaster, postal clerk and so many others.

**Norfolk**

On January 9, the Tidewater Council representatives met to appoint their Council Officers for the coming year.

**Washington, D. C.**

General Eisenhower was presented with a gold replica of the "General Eisenhower Award" which was given to those Scouts who participated in the newspaper drives and turned in a certain amount of paper, recently, in Washington, D. C. Chief Scout Executive, Dr. Elbert Fretwell, and National President of the Boy Scouts, Walter Head were present.

**Elizabeth City**

The East Albemarle District met for the first time under its new chairman, Norman K. Shannonhouse on January 9, in the Virginia Dare Hotel. A large attendance was on hand at this orientation meeting. There are many new faces in addition to the old Scouters.

**Tidewater Council**

The council has been going on the air ever since Navy Day. To date eight programs have been presented through the courtesy of Station W. C. N. C. The program which lasts for 15 minutes goes on the air every Saturday at 9:30 a. m. In addition to up to the minute Scouting News, flavored with items from the Albemarle, the council, the nation and European nations, individual Scouts, Scouters, troops, and Cub Packs have given programs. While nothing definite can be stated at this time, Richard Baer, chairman of the West Albemarle, reports that there are possibilities of the council going on another network also. Scouting marches on!

**Here And There**

The East Albemarle is energetically getting up a Scouters program to be held on February 14 in Elizabeth City at the Virginia Dare Hotel. It is expected that many notables will be there. The whole Albemarle represented by its Scouters and their ladies are expected to be there. Civic clubs, superintendents of schools, mayors, ministers, Parent Teacher groups are expected to pay tribute to the Scouters who so unselfishly gave of their time to the youth of the community. This will be held during Anniversary Week of Scouting and will be highlighted by a speech from the President in Washington. Set aside this date. Information and tickets can be obtained from Raymond Collier, chairman of Camping and Activities, 510 West Main street, Elizabeth City.

Attention: For up to the minute news on Scouting listen in every Saturday morning to Station W. C. N. C. at 9:30 a. m.

Son (after graduation): "Well, now the world is my oyster, dad."  
Dad: "Yes, but remember the oyster has a hard shell to crack."

**Be Quick To Treat Bronchitis**

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

**That Nagging Backache**

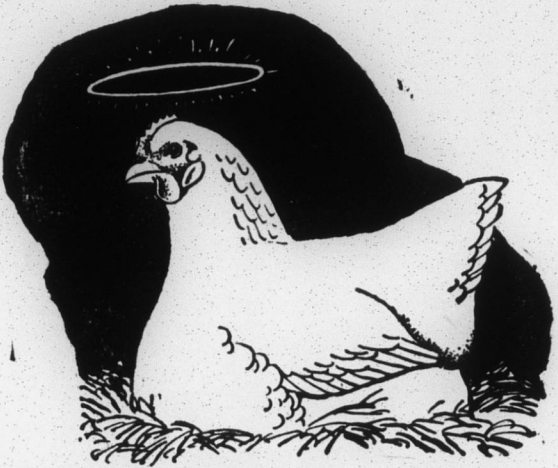

**May Warn of Disordered Kidney Action**

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

**Ultra-Lifed Laying Mash**

HOW'S my Halo? Right smart, I think! Yes, once I was the frowny Flora of our flock—the sad Sally of our alley,—I just couldn't keep up with production. But no more! . . . no sir . . . not since I discovered it was that Ultra-Lifed Laying Mash that made the rest of them produce eggs like sixty! . . . it's got just the right things to make a hen lay. Well, I'm for it.

Ultra-Lifed Laying Mash, rich in essential vitamins, minerals and proteins, stimulates laying and promotes more efficient use of the grains and other feeds. More than this, Ultra-Lifed Laying Mash helps continued high egg production by replacing essential elements used in producing eggs. Switch to Ultra-Lifed Laying Mash now, it is the foundation for high egg production in the near future.
