### 70 Members In Chowan Plant Cork Oak Acorns

Meetings of 4-H clubs last week were devoted to the distribution of cork oak acorns to members for trial plantings. Each of 70 club members were given 32 acorns each with instructions for planting. This work is being done in cooperation with the Chowan Cork & Seal Company of New York for the purpose of experimenting with the production of cork in this area as a prospective enterprise and a national supply by home pro-

duction. Acorns were secured through R. W. Graeber, extension forester of N. C. State College. Approximately half of the meeting periods were devoted to determining project activities for 1946. At the present time 41 club members are enrolled in peanut growing; 34 in corn growing, 26 in gardening, 13 in poultry growing and laying flock management, six in pig raising, and one in tobacco growing. Twenty club members have not determined what their 4-H project will be this year.

### Colored Man Faces Charge Of Forgery

### John Jeffry Spruill Accused of Forging Two Signatures

Edenton police on Friday arrested John Jeffry Spruill, colored, who is charged with forging two checks of \$25 each. Police claim that on March 6 Spruill wrote a check and signed Cherry Boyce's name. The check was cashed by Graham Byrum, who in turn gave it to C. H. Barber in payment for some farm produce. When Mr. Barber took the check to The Bank of Edenton it was discovered that Mr. Boyce's signature had been forged.

A. S. Hollowell also learned on Monday that a check he had cashed for \$25 bore the signature of T. C. Cross, which the bank discovered was not written by Mr. Cross.

Spruill, a former service man, was charged with forgery in 1943, according to the police, when he was given a two-year suspended sentence. He is now in jail awaiting a hearing in Recorder's Court on March 15. On Tuesday morning Mr. Hollowell and Mr. Byrum were informed that another check cashed by each had been forged.
