

# LIMESTONE AVAILABLE THROUGH 1947 AAA PROGRAM, SAYS CHAIRMAN J. M. PRICE

### Will Be Offered on First Come, First Served Basis

Limestone will be furnished to Chowan County farmers through the 1947 Agricultural Conservation Program on "first come—first served" basis, J. M. Price, secretary of the Chowan County Agricultural Conservation (AAA) Committee, has announced, and urges farmers to place their 1947 lime orders immediately.

"Only 355,200 tons of limestone have been offered for distribution through the 1947 program for the entire State," Mr. Price said. With an indicated increased demand for lime during the coming year, he pointed out that sufficient lime will not be available to fill all requests and that orders will be filled in the order they are placed with the county office.

Contractors have agreed to furnish lime on a monthly basis. Any month's allocation that is not requested will be cancelled and lost for the entire year. "We cannot afford to let this happen in view of the great need of limestone on our farms," Mr. Price said.

"If farmers will place their orders now, shipping schedules can be arranged so as to keep a steady flow of this material moving from the supplier and 'end-of-the-year-cancellations' witnessed in past years will be eliminated," he concluded.

The cost to the farmer will be \$1.45 per ton delivered to the farm. This represents 30 per cent of the cost of the material. The contractor will spread the lime at the time of delivery, for an additional cost of \$1.50 per ton.

### Local Negro 4-H Clubs Hold Achievement Day

Negro 4-H club of Chowan County held their Achievement Day Saturday, November 16, in the Edenton High School. The program opened with Maile Harris, County Council president, presiding. The address was delivered by the Rev. N. S. Harris of Edenton. The judges were Miss Eliza Jeffers, Negro home agent of Elizabeth City, Miss Price, home economic teacher at Edenton High School, and W. C. Stroud, farm agent of Hertford.

Prizes were given for string beans, peaches, berries, artichokes, beets, tomatoes, sweet potatoes, peanuts, corn, white potatoes, turnips, poultry, handcraft, collards, carrots and dresses. The products were arranged according to clubs and prizes were given to the best clubs as a whole.

Prizes went to the following clubs: First prize, Warren's Grove; second prize, Canaan Temple Club; third prize, Green Hall Senior Club.

# Interest Mounting In Thanksgiving Dance

### Music Will Be Furnished By Roy Cole and His Tar Heels

According to reports, a great deal of interest is developing in Edenton and surrounding territory concerning the forthcoming Thanksgiving dance scheduled to be held Friday night, November 29, in the Edenton armory.

The dance is sponsored by the Junior Woman's Club in an effort to raise money with which to equip the new playground, which is the club's major project for the year.

The orchestra engaged for the occasion, Roy Cole and his Tar Heels from the University of North Carolina, has been acclaimed a fine, smooth working musical organization. All members of this band are majoring in music at Carolina. The majority of the personnel are ex-G.I.s, practically every member having played in some of the best orchestra units in the armed forces, and with such a wealth of talent, Roy Cole has turned out a truly well balanced orchestra. They feature any type of music desired, including waltzes, rumbas, sweet swing or hot jive, and keep their tempos well mixed, so as to please even the most discriminating dancers. They use special arrangements only.

The featured vocalist with the band is George Demas, a baritone of the Perry Como type, but with a style of his own. He is especially good on sweet numbers. The band's set singer, "Chuck" Campbell, is another outstanding feature of the organization. Harry Hall is another singer with the orchestra, and is also a trombonist of the finest calibre.

This orchestra has been featured at the Wallace Strawberry Festival, Isle of Palms Pavilion in South Carolina, Fort Bragg Officers' Club, Langley Field Officers' Club and a number of leading colleges in the mid-South. Such a distinguished orchestra is expected to draw a large crowd.

There will be tables for anyone desiring them and sandwiches and drinks will be sold throughout the evening.

### MASSSES NEXT SUNDAY AT WINDSOR AND EDENTON

The most holy sacrifice of the mass will be offered Sunday, November 24, the first at 8 A. M. in Duke of Windsor convention room, Windsor, and second in St. Ann's Catholic Church, Edenton, at 11 A. M., each including 12th sermon of series on "Death," Holy Communion, concluding in 45 minutes, followed at once by Sunday School, confessions starting 15 minutes, ending five minutes before services, stated Father F. J. McCourt, pastor, who invites everybody to all services. Week mornings: Mass, Communion, Rosary.
