

U.S. Savings Bonds Sales \$20,310.50 In Chowan Last Month

Chairman T. C. Byrum Urges Continued Support During 1947

T. C. Byrum, county chairman of the U. S. Savings Bonds Division for Chowan County, has announced that according to information received from Allison James, State director of the U. S. Savings Bonds State office in Greensboro, sales of U. S. Savings Bonds for the period December 1 through December 31, for Chowan County, totaled \$20,310.50, of which \$18,310.50 were E bond sales and \$2,000 in G bonds.

Sales of Savings Bonds for the entire State of North Carolina for the

same period were: E bonds, \$5,514,747.50; F bonds \$630,184.00; G bonds \$2,282,300.00, total sales \$8,427,231.50.

The county chairman further stated that according to information he had received from the State office, citizens of North Carolina had invested more money in E bonds as well as in the combined series E, F and G bonds, in December, than in any previous month of 1946. He stated that in his opinion the tremendous publicity promotional campaign of November 11 to December 7 had a large influence on the increased sales of December over any previous month of 1946 by again bringing to the attention of our citizens the importance and advantages of investing in U. S. Savings Bonds—the world's safest investment.

Mr. Byrum expressed thanks and appreciation to all in Chowan County who have contributed to the success of the savings bonds program during 1946 and earnestly solicits their continued cooperation and support in 1947. He predicted a bright outlook for the 1947 savings bonds program.

Former Town Employee Dies In Richmond, Va.

Carl M. Hicks of Suffolk, for many years superintendent of the Edenton Electric & Water Department, died Wednesday of last week at McGuire Hospital, Richmond, after a brief illness. Mr. Hicks at the time of his death was employed by Seaboard Airline Railway, but after leaving the Town of Edenton employ was connected with the Virginia Electric & Power Company.

Surviving are his wife, two daughters, Mrs. Virginia Elmore of San Francisco, Cal., and Miss Alma Hicks of Suffolk, and a son, Jack Hicks, also of Suffolk. Two sisters, Mrs. T. P. Wilson of Chicago, Ill., and Mrs. C. P. Glover of Charleston, S. C., and a brother, G. C. Hicks of Maryland also survive.

Funeral services were held Sunday at Charlotte, N. C.

Wildlife Institute In Raleigh January 27

Meeting Expected Attract Record Number Of Sportsmen

Dr. Ira N. Gabrielson, president of the Wildlife Management Institute, Washington, D. C., and formerly Chief of the United States Fish and Wildlife Service, will be the chief speaker at the second annual meeting of the North Carolina Wildlife Federation in Raleigh January 27.

Several other interesting speakers also will be on the program at what is expected to be a gathering of the largest number of sportsmen in the history of the State. The sessions open at 10 o'clock in the Sir Walter Hotel on the morning of January 27, with Dr. Gabrielson scheduled to talk that night.

A business session will be held the following morning when new officers of the Federation will be elected.

The organization is composed of hunters and fishermen of the State who are sponsoring legislation in the current General Assembly which would set up a separate Game and Fish Department in the State government to administer the game laws and launch a program of conservation and propagation of wildlife. At present this is a division of the Department of Conservation and Development which, the sportsmen charge, has utterly failed in this work.

INSIDE STORY OF YOUR TELEPHONE

● If you could look "inside" your telephone system, you would see that it takes a lot of things to make your telephone work. First, the highly skilled technicians and operators. Then the vast amount of incredibly complicated switchboards, wire, poles, etc. Much of this equipment is still scarce and will take time to produce. We cannot reach our goal of faster, better service—with enough for everybody—until we do receive sufficient equipment.
