

High School News

BY FRANCIS CHESSON

Previously, the Student Council has been faced with two bills of major interest and has approved and passed them. One pertains to order in the halls during change of classes and marching to and from chapel. This bill is not new but a complete collection of the many former laws passed concerning order. The Council reasoned that one bill containing all the laws was far more useful and handy than many scattered regulations.

The latter bill, the Morgan-Webb Mediation Act, relates to a problem causing considerable friction this school term. That is, who is to sell refreshments at the different athletic programs for the purpose of raising funds for class or organizational needs. Realizing that this will always be a problem until something is done about it, the Council has seen fit to authorize a committee made up of the President and Faculty Adviser of the Council, plus four councilors, chosen by the President, to use the bill and their judgement in deciding who shall sell refreshments, et cetera. This bill is to go into effect the next school term.

Again the Student Council will sponsor Sunshine Sue and her Company in the school auditorium. Already posters have been received, but the date of her coming is uncertain.

For solid laughter and entertainment Mr. Terrill's section of the ninth grade presented a program last week titled, "Uplifting the Heathen". The cast was made up of one boy and sixteen girls seated in their meeting room of their club. To hear the conversation among them no one could refuse bursting into laughter.

Monday morning the High School students gathered in the auditorium for the purpose of selecting a school song. For sometimes the school has been without a song and recently the Council aroused interest among the students. Six students were interested and had initiative enough to put words to a tune. The remnant of the former Sextet, Beverly Moore, Nelle Perry, Charlotte Bunch and Ruth Goodwin, sang four of the proposed songs while the authors of two of the songs sang their own. After hearing them read and sang the students decided that their school song should be the one written by Pete Manning to the tune of Carolina Col-

lege's song. As a gift the Council presented Pete Manning with a five dollar bill.

The words are as follows:
Hark! The sound of Edenton's voices;
Ringing loud and strong
While we fight and make our history;
All throughout the year.
We will cheer and cheer again;
For ole E-d-e-n-t-o-n High.

Chorus
So it's Rah! Rah! for Edenton;
Edenton;
Rah! Rah! for Edenton, Edenton;
Rah! Rah! for Edenton, Rah! Rah!
Rah!

PEOPLE ARE ASKING THESE QUESTIONS ABOUT ARMY ENLISTMENT

Q. What educational benefits do I get under the GI Bill of Rights?

A. If you serve honorably on active duty for a period of 90 days, one day of which is served between September 16, 1940, and the date of termination of the present war, or you are discharged because of an actual service-incurred injury or disability incurred within that first 90-day period of service, you are, upon discharge, entitled to one year of education in the college, trade or business school of your choice for which you can qualify. In addition, each month of active duty, including the first three, prior to the termination of the war, entitles you to another month of post-service education, up to 48 months.

Your tuition, laboratory fees, etc., up to \$500 per ordinary school year will be paid by the government. Also, you will receive \$65 a month living allowance; \$90 a month if you have dependents.

Q. What about family allowances?

A. For men enlisting or reenlisting now, family allowances will continue until six months after the war is officially ended.

Q. What are my chances of going overseas?

A. If you enlist for 3 years, you may select to serve in any overseas theater which has openings, especially Japan or Korea.

Q. Can I still choose the branch of service I want to serve in?

A. Yes. You can pick any branch which has quotas to be filled, if you enlist for 3 years.

Q. Is there any way I can reenlist in my old grade?

A. Yes, you can, if you reenlist for a 3-year term within 20 days after your honorable discharge.

Q. Is there any other way I can reenlist in grade?

A. Yes, if you held one of certain military occupational specialties, and were discharged on or after May 12, 1945, you can reenlist in a grade depending on the length of time you held the desired M. O. S.
