men representing the hospitals, the medical profession, and the progressive-minded lay public. Prior to the actual incorporation of the Association, the entire plan was approved by the North Carolina Hospital Association and the Medical Society of the State of North Carolina. Nationally approved by the American Hospital Association, as one of the Blue Cross Plans, the Hospital Saving Association is also licensed by and operates under the supervision of the North Carolina State Insurance Department.

Over \$7,000,000.00 has been paid to the hospitals, surgeons and obstetricians of North Carolina, and with membership at its present level, current payments are rising rapidly.

A representative of the Association will gladly call on any employer who may wish to consider extending the privilege of membership to his employees. Such a visit will imply no obligation.

### WOMAN BEARS 28th CHILD

Trafalgar, Ind.—Mrs. Lester Smith, 44, recently gave birth to her 28th child, which was still-born. Sixteen of the 28 are living and 13 are still at home. Mrs. Smith has only one slight regret. She wanted 12 sons and has only 11.

### Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

**MOST MOTHERS DO THIS**  
**If Baby Has A Cold**

Best-known home remedy you can use to relieve distress of children's colds is comforting Vicks VapoRub. Even while you rub it on, VapoRub starts to work to ease distress... and it keeps on working during the night. No wonder most mothers always do this when a cold strikes. **VICKS VAPORUB**
