

Complaint Entered About Condition Of Sandy Ridge Road

Group Asks Help of the Commissioners to Get Some Relief

G. O. Chappell, together with several other residents of the Center Hill Section, appeared before the County Commissioners Monday with a petition signed by a large number of residents requesting relief on the Sandy Ridge road leading from Center Hill to Route 57, which is a paved highway. The road is about eight miles long.

Mr. Chappell, spokesman for the group, stated that at times the road in question is in very bad shape and that due to its use for transporting truck crops, many times farmers are handicapped due to inability to move trucks on the road.

The Commissioners agreed to request the State Highway and Public Works Commission to make necessary repairs and maintain the road so that it will not handicap movement of crops.

Edenton Sluggers Beat Tarboro 8-6

Next Home Game With Portsmouth Team June 15th

Edenton's Sluggers, local colored baseball team, won a hard-fought game from a Tarboro team Sunday afternoon on Hicks Field by a score of 8 to 6. The locals took an early lead, but in the latter innings the visitors in a determined fight threatened to overcome the lead.

Lawrence Collins started on the mound for the locals and was relieved in the sixth inning by Paul Gregory, who went the rest of the route. Thomas Edward Harris sent the large crowd of fans wild when he sent the ball over left field fence for a home run.

The Sluggers will play the Portsmouth Eagles on the latter's diamond next Sunday afternoon, and the next home game is scheduled Sunday, June 15, on Hicks Field, when they meet the highly touted Tidewater Tigers from Portsmouth.

General Meeting Of Methodist Society Is Scheduled June 10th

The general meeting of the Woman's Society of Christian Service of the Edenton Methodist Church will be held on Tuesday evening, June 10, at the church. The meeting will begin at 8 o'clock.

Group No. 2, of which Mrs. M. F. Bond, Jr., is leader, will be hostess during the social hour.

All members are urged to attend and all women of the church are invited.

Coming To N. C.

General of the Armies DWIGHT D. EISENHOWER

Dwight D. Eisenhower, Army Chief of Staff and General of the Armies, has accepted an invitation to be a featured speaker at Farm and Home Week, to be held on the State College Campus, August 25-29 as a function of the Extension Service and co-operating farm organizations. The distinguished general will speak in Riddick Stadium, the evening of August 28, according to present plans.

to all who helped in any way, as well as those who purchased poppies.

11 Counties In State Are Among Nation's Top Peanut Growers

Chowan County Stands 78th In National Ranking

Eleven North Carolina counties are among the 100 leading peanut-growing counties in the United States, according to figures from the 1945 Census of Agriculture issued by Director J. C. Capt, Bureau of the Census, Department of Commerce.

These 11 North Carolina counties reported 240,896 acres in peanuts harvested for nuts in 1944. This was 88 percent of the 272,326 North Carolina acres in peanuts harvested for nuts and eight percent of the Nation's 2,957,943 acres in this crop.

The eleven leading North Carolina peanut counties and their 1944 acreages of peanuts harvested for nuts are:

County	National Ranking	1944 Acreage of Peanuts Harvested For Nuts
Northampton	17	39,654
Bertie	19	36,865
Halifax	20	36,249
Edgecombe	37	25,089
Martin	39	24,392
Hertford	41	22,430
Pitt	61	14,356
Chowan	78	11,617
Gates	79	11,290
Perquimans	85	10,059
Bladen	89	8,895

Poppy Sales Total \$208.43 In Edenton

Mrs. J. L. Chestnutt Desires to Thank All Who Helped

Mrs. J. L. Chestnutt, Poppy Day chairman of the Legion Auxiliary, reported this week that the recent poppy sales amounted to \$208.43. Twelve Girl Scouts volunteered as salesmen, with women of the Auxiliary devoting two hours each in working with the girls during the day.

Mrs. Chestnutt announced that the two first prizes for Poppy Day posters were won by Billy Earl Russell of the sixth grade and Christine Harris of the fifth grade. Second prizes went to Cecil Miller of the fourth grade and Sarah Kemp Wood of the seventh grade.

Prizes for selling the most poppies on the streets were won by Harriett Conger and Mary Etta Perry.

Mrs. Chestnutt is very well pleased with the result of the sale and expresses her appreciation and thanks

MISS MARTHA LEAH CONGER GRADUATES AT ST. MARY'S

Miss Martha Leah Conger, daughter of Mr. and Mrs. J. H. Conger, graduated at St. Mary's School and Junior College in Raleigh Monday, being one of the graduates of the college department. It was announced at the graduation exercises that the class of 1947 established a fund to be added to from year to year, to be used in 1950 for the presentation of a gift to the school.

Dr. John W. Warren Suggests Building New County Home

Says Sale of Present Property Would Provide Funds

Dr. John W. Warren, county physician, in his monthly report to the County Commissioners Monday, recommended consideration of a new County Home. Dr. Warren admitted that he is puzzled with what to do with some cases brought to his attention, but stated that if a more modern county home nearer Edenton were available, it was his opinion that some cases could be disposed of by placing these persons in the home.

The present county home, he said, is too far from Edenton, and besides is not a desirable place to live. It was not his idea to build a large and elaborate structure, but expressed the opinion that a more modern home close to Edenton would be more inviting for indigent persons, most of whom do not desire to go to the present home.

Dr. Warren expressed the belief that the present county property could be sold for enough to erect a small and creditable county home. The Commissioners were favorably impressed with Dr. Warren's report, but no action was taken.

ARE YOU PROTECTING YOUR FAMILY'S HEALTH?

Death laughs at people who fear dentists and physicians. Dr. Thomas Parran, Surgeon General of the United States Public Health Service, tells why it is necessary to see your doctor at frequent intervals. Read this revealing story in the June 15th issue of

Sentinels of Health
Don't Neglect Them!
Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out. Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.

The Story of The Sprouting Telephone Pole

Can you imagine a telephone pole that sprouts like Jack's fabled beanstalk? The tall telephone pole shown above did just that... only it did its sprouting in cost. The two poles shown in the picture are actually the same size and serve the same purpose. However, one was bought four years ago, the other this year. And this sprouting telephone pole is typical of the climbing costs of all labor and material required to provide you with telephone service. Will the pole stop sprouting? Who knows? But we do believe you should know how difficult it is to continue good service under present conditions of higher operating costs.
