

Cotton Mill Team Wins Two Games Over Last Week-end

Edenton Cotton Mill's baseball team won two and lost one game over the week-end, defeating Camden 5-2 Saturday afternoon in a doubleheader.

Wright was on the mound for Edenton Saturday afternoon and allowed only one hit when the game was called in the fifth inning due to rain. The local team secured nine hits off Sawyer, opposing moundsman.

In the first game on Hicks Field Sunday afternoon the Cotton Mill team won 6-2. Lloyd Griffin, who hurled for Edenton, was in splendid form and allowed only three hits. Sawyer, Camden pitcher, was driven from the mound in the fourth inning and was relieved by Culppepper.

The locals dropped the second game 4-1. Though Ambrose, Edenton pitcher, allowed only three hits, costly errors accounted for the defeat, three runs being scored on one hit. Holmes, Camden pitcher, gave up only two hits.

Floyd Cayton, manager, desires to thank officials of the Edenton Colonials for the use of Hicks Field for playing Sunday's games.

Trot Leary Holds To Lead In Hitting

(Continued from Page One) each, Joe Wheeler, Buck Wheeler, Vick and Lester Jordan with two, and one by John Byrum.

Joe Wheeler heads the base stealers with seven. Trot Leary is second with six and John Bohonko third with four.

Joe Fulghum has batted in the most runs, having 34 to his credit. He is followed by Claude Griffin with 23, Thorne 22, Leary 20, Buck Wheeler 13, Joe Wheeler and Bohonko 11 each.

Batting averages for the Colonials as released by Bill Cozart, statistician for the Albemarle League, are as follows:

	G.	Ab.	R.	H.	Pct.
Leary	29	115	31	39	.339
Fulghum	32	127	29	40	.315
C. Griffin	31	122	15	35	.287
J. Wheeler	26	95	22	25	.263
Davis	3	9	0	2	.250
Thorne	32	112	15	28	.250
J. Byrum	18	60	10	15	.250
B. Wheeler	22	80	13	19	.238
Vick	17	56	4	13	.232
Bohonko	25	94	15	19	.202
Askew	10	10	0	3	.158
Jordan	11	35	2	4	.114
George	7	16	3	1	.063
J. Griffin	7	17	0	0	.000

Henry William Wright Dies Tuesday Morning

Henry William Wright, 47, died at his home on East Church Street about 4 o'clock Tuesday morning. He was a native of Tyrrell County, but came to Edenton about 10 years ago, since which time he was employed by the Edenton Cotton Mills.

Surviving are his wife, Mrs. Elva Wright; three sons, H. W., Thomas F. and Milton Lee Wright, and two daughters, Mrs. Cedric Basnight and Gertha Rose. Four brothers, Thomas F., John L., James H., and Major Wright, and two sisters, Mrs. E. C. Twiddy and Mrs. T. J. Basnight, also survive.

Funeral services were held Wednesday afternoon at 2 o'clock in the Assembly of God Church, with the pastor, the Rev. D. B. Lawrence, officiating. The body was then taken to Columbia for burial.

MISSIONARY SOCIETY MEETS

The Warwick Woman's Missionary Society held a pleasant and profitable meeting Thursday evening with Mrs. F. I. White. The August meeting will be held with Mrs. L. C. Briggs.

45 Beginners Taking Swimming Lessons

(Continued from Page One) Chowan Chapter of the American Red Cross, has equipment on order for the Red Cross swimming classes, including one dozen "kick boards", and a torpedo type lifesaver to be used in training students in rescue methods. The torpedo type lifesaver is particularly adapted to rescues made in the ocean surf.

"The kickboard," says Mr. Potter, "will be used by our Red Cross instructor to teach rhythmic breathing in co-ordination with 'leg beats' and for other water safety skills."

At the conclusion of this beginners course Chairman Potter states that all members of the class will be given a "skill check". Those successful will be presented Red Cross certificates and be advanced to the intermediate class. The others will continue their instruction until they, too, become skillful enough to qualify. It is the aim of the water safety staff to utilize the services of all Junior and Senior Red Cross Life Savers in Edenton for demonstration purposes and for assistance in the instruction.

CARD OF THANKS

We want to thank the many friends who were so kind and thoughtful during the illness and death of our husband and father, Lee Vance Spruill. —Mrs. Lee Spruill and Children.

Town Council Orders 162 Parking Meters

(Continued from Page One) smaller than the one designated will drop through the coin slot without releasing the mechanism. The dial completely covers the dial opening which has an area of 4 1/4 square inches. At the expiration of the legal parking period the dial is covered by a red violation signal which completely covers the dial opening. There is a dial opening on two oppo-

site sides of the meter and the dial or violation flag can be easily seen from either side. The mechanism will operate over 100 hours on one winding of the main spring regardless of the number of coin operations during that time. No main spring power is required for coin operation. There will be no outlay of money on the part of the Town in installing the meters. Although each meter will cost \$75.50, plus \$4.00 each for installation, all of the expense will be paid from collections from the meters. Of course, the freight and installation charges will be paid first,

after which receipts will be split on a 50-50 basis until the meters are paid for, when the Town will receive all money taken in by the meters. The contract requires the Town to keep accurate records of receipts, as well as passing an ordinance relative to parking.

Meters will be installed on Broad Street from Water to Queen Streets, though the area might be extended to Church Street and possibly a short distance on side streets. For the convenience of merchants who do not have a rear entrance, several loading zones are contemplated, where trucks

may be loaded or unloaded without using the meters. Tentative plans call for the parking ordinance to provide for parking from 8 A. M. to 6 P. M. daily except Saturday, when it will be from 8 A. M. to 9 P. M., with Sundays and legal holidays excepted. Town Councilmen decided upon the installation of parking meters for two reasons, one to provide more parking spaces for visitors and, second, as a new source of revenue. Police plan to be on hand after the meters go into operation in order to be of assistance to any who may not understand the operation of the meters.
