

A. Campen Names Chamber Commerce "Minute Men" Group

President Reports Gain In Membership Over Last Year

A. Campen, president of the Edenton-Chowan Chamber of Commerce and Merchants Association, has announced that there has been a gain in membership in the organization for the past year.

More and more folks are beginning to realize that a Chamber of Commerce and Merchants Association is a necessary part of a progressive community," says Mr. Campen. "There are those who would sit back and watch others do the work in our community, but it is most encouraging to have many who have the courage, conviction and civic spirit enough to jump in and carry their ball."

Mr. Campen classifies as "Minute Men of Progress-Makers of Destiny" this past year the following:

Growing Conditions For Peanuts Favorable

Growing conditions for peanuts continue very favorable in the Virginia-Carolina section, although some fields are becoming rather "grassy." The crop is generally well advanced despite the lateness of the planting season. A few shelled peanuts moved to market, mostly on resales. Cleaned peanuts are about cleaned up. Prices showed little change.

Sales and quotations, f.o.b., snipping point: Virginia cleaned jumbos 22½-23c, few 22c; fancy 21½-22c, few 21c; shelled extra large 22-23c, few 21-21½c; mediums 20½-21½c; No. 1s 18-19c; No. 2s 14½-15c.

"The new year began July 1," says Mr. Campen, "and we've had new memberships come in without solicitation, among whom are Ed Habit and Dr. W. S. Griffin."

A Doctor's Life

"Why did you tear out the back part of that new book?" asked the long-suffering wife of the absent-minded doctor.

"Excuse me, dear," said the famous surgeon, "the part you speak of was labeled 'Appendix' and I took it out without thinking."
