

36 Chowan People Enjoy Summer Tour To Williamsburg, Va.

Climax of Trip Is Witnessing "The Common Glory" Pageant

The second summer tour for Chowan County farm families was held Tuesday of last week when 36 men, women and children visited Williamsburg, Va. They traveled by special Norfolk Southern bus driven by Harry Crumme.

The first stop was at Mariners' Museum, where they saw beautiful and unusual exhibits, and regretted that time did not allow them to see all of the exhibits in the museum. The trip to Williamsburg was then resumed by way of Yorktown and the Scenic Highway.

In Williamsburg the group visited the following historic buildings: Craft House, the Governor's Palace, Capitol, the old jail, Raleigh Tavern, Wythe House, Bruton Parish Church and then had a picnic lunch and supper in the park area of the pageant grounds. During the afternoon many of the group bought Williamsburg plates, pieces of Jamestown pottery and other souvenirs to bring home as reminders of a very interesting trip.

At night the group witnessed the pageant, "The Common Glory," which was thoroughly enjoyed. Members of "The Lost Colony" cast were special guests at the performance, which was an added feature for the North Carolina visitors.

The local party, who arrived home about 2 o'clock in the morning, included the following:

Mrs. S. E. Morris, Mrs. J. W. Skiles, Mrs. D. M. Reaves, Mrs. George Hoskins, Miss Inez White, Miss Fleta Harrellson, Miss Beulah Evans, Miss Mildred Byrum, Mr. and Mrs. Gilbert Harrell, Lois Harrell, Mr. and Mrs. E. L. Pearce, Mr. and Mrs. K. L. Perry, Mr. and Mrs. W. H. Saunders, Stillman Leary, Julia Leary, Lorene Ashley, Mrs. M. L. Hofer, Mrs. E. L. Winslow, Mrs. I. E. Halsey, Jr., Pearl Halsey, Peggy Halsey, Jackie Bunch, Mrs. Alvin Byrum, Mr. and Mrs. W. H. Pearce, Mrs. Lloyd C. Bunch, Mrs. E. E. Pri-

vott, Leon Privott, Mrs. Dora White, Mrs. R. C. Nixon, Miss Hazel Shaw, assistant home agent, and Miss Rebecca Colwell, home agent.

Edenton Sluggers Trim Woodville Prison Outfit

The Edenton Sluggers, local colored baseball team, defeated the Woodville Prison Camp outfit 4-3 on Hicks Field Sunday afternoon before a large crowd of white and colored fans. It was the second defeat for the prison outfit, having earlier in the season lost one game to the Calcedonia Prison Camp Team, and later defeated the same team.

Paul Gregory was on the mound for the Sluggers and with gilt-edge support on the part of his teammates encountered little trouble except in the ninth inning when due to a streak of wildness, coupled with two hits, the Woodville boys threatened to win the game. One run was scored and the bases were loaded, but good fielding saved the day for the locals. McPherson, on third base, played an exceptionally good defensive game as did Harris, as usual, behind the bat.

The Woodville team, sparked by the pitching of Hardison, scored a run in the first, third and ninth, while the Sluggers scored twice in the second and once in the third and eighth.

The same two teams are scheduled to meet again next Sunday afternoon on Hicks Field at 3 o'clock. Due to the interesting game last Sunday, another large crowd of fans is expected to be on hand.

Beekeeping Hobby Nets Good Dividends

Paul Holoman Increases Hives From 3 to 22 In Two Years

"In 1945," says County Agent C. W. Overman, "Paul Holoman started in beekeeping with three colonies of bees. Later in the year he added two more colonies and in 1946 Mr. Holoman made colony increases up to 19 colonies. This year he has increased his colonies to 22."

"Mr. Holoman has studied beekeeping through literature, assistance of the Extension beekeeping specialist, W. A. Stephen and the local county agent, and has practiced modern beekeeping methods."

The honey flow has been good this year and up to August 15 Mr. Holoman has harvested over 1,300 pounds of extracted honey which is selling for a good price locally. He expects to make another harvest this season and possibly get a total of at least 2,000 pounds from the 22 hives.

Mr. Holoman says beekeeping is one of his hobbies. He is very fond of it, and is now at the stage where his hobby is paying good dividends.

Marine Museum Is Again Open To Public

Closed for several months, during a period while the budget slashers attempted to close the U. S. Fish and Wild Life Station on Pivers Island, located between Morehead City and Beaufort, the marine museum there

has been reopened to the public, it has been announced by Dr. H. F. Fryther, director of the station.

Hundreds of thousands of persons have visited the famed museum since it was established many years ago. On display there are specimens of just about every form of fishes and other biological specimens common to the coastal waters. In addition to the museum, the aquarium and diamond back terrapin propagation pens are also now open to Carteret coast vacationists and the public in general.

Huge Balance Shown Unemployment Fund

Enough Now on Hand to Cushion Any Depression In Future

A balance of \$130,357,855.87 is shown in North Carolina's Unemployment Trust Fund as of July 31, a fund which is expected to be sufficient to cushion any recession or depression which may develop in this State in the foreseeable future, the report made by W. H. Pitman, chief auditor, to Chairman Henry E. Kendall, of the Employment Security Commission of North Carolina, reveals.

This balance represents the differ-

ence between receipts of \$165,144,600.07 to the State's fund in the 11 1/2 years of collections, which started in 1936, and the 9 1/2 years of benefit payments to unemployed workers, which started in January, 1938, and amounted to an accumulated \$34,806,744.20 on July 31.

Total receipts of \$165,144,600.07 include the contributions of \$154,124,608.25 made by employers subject to the State Employment Security Law, including those for the year 1936, and \$11,019,991.82 in interest earned by the State's balance in the U. S. Treasury from the beginning and credited to the State's fund.

Edenton Police Arrest 72 Persons During July

Seventy-two arrests were made by Edenton police during the month of July, according to Chief of Police George I. Dail. Sixty-eight were found guilty as charged and four were not guilty.

Of the 72 arrests, 38 were white men, three white women, 25 colored men and six colored women. As usual, drunks led the list with 18, followed by 16 arrests for speeding, 12 assaults and 12 parking and traffic violations.

Fines during the month amounted to \$417.50 and costs \$775.96. Officers' fees turned over to the Town Clerk totaled \$187.30.

Fifty-two calls were answered during the month, 45 street lights reported out, five funerals worked, 10 courtesies extended, 30 warnings given and 810 radio calls made, the police being on the air 1 hour and 10 minutes.

2,489 Vehicles Are Registered In Chowan

As of July 1, a total of 802,349 vehicles were registered in North Carolina, according to the Department of Motor Vehicles. Of this number, 778,769 were automobiles, trucks and trailers, while the remaining 23,580 were dealers' and State highway vehicles.

Guilford County leads all counties in vehicle registration, with 42,387. Mecklenburg runs a close second

with 41,653. Clay, Tyrrell, Granville and Dare are among the lowest. Chowan County is listed by L. C. Rosser, Commissioner, as having 2,489 motor vehicles and trailers registered.

Minutes of Board of Public Works

Edenton, N. C., July 2, 1947. The Board of Public Works met this day in the Town office at eight o'clock P. M. in regular monthly session. Present: J. H. Conger, chairman, and O. B. Perry.

At the request of Dr. W. S. Griffin, on account of his absence, that the E. & W. Board consider the light rates, having in mind the feasibility of reducing the rate in the third bracket.

On motion of O. B. Perry and carried, it is ordered that the Board accept and sign the contract submitted by the Virginia Electric & Power Company, trading certain light lines in the Town of Edenton.

On motion duly carried, the request of Ed Habit for a three-phase service at his store on South Broad Street is denied on the grounds that his requirement does not warrant three-phase service.

On motion duly carried, the Board ordered adjustment of Mrs. J. N. Elliott's water bill to \$15.00 in view of the fact that an underground leak developed which was not immediately apparent.

The bills amounting to \$10,464.95 were approved for payment.

There being no further business, the Board adjourned.

Respectfully submitted,
R. E. LEARY, Clerk.

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure.

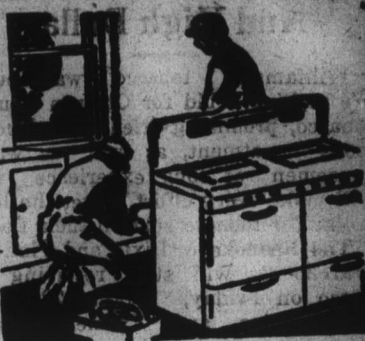

When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.

Why not save up for some "sunny days" too?

Most folks think of savings as something you set aside for rainy day emergencies.

But there are plenty of "sunny day" occasions to save for too!

For instance, that new home you want to own some day... that trip abroad you plan to take... that college education you want to give your youngsters—"sunny day" savings will help get you all these.

But how soon can you pile up those "sunny

day" dollars? Lots sooner than you think—if you save by buying U. S. Bonds! In fact, as little as \$3.75 invested in U. S. Bonds every week will return you as much as \$2,163.45 in only ten years' time.

You can buy these Bonds either through the Payroll Savings Plan at your place of business—or if you're not eligible for the Payroll Plan, but have a checking account, through the new Bond-A-Month Plan at your local bank.

So start saving for your "sunny days" today!

Save the easy, automatic way—with U.S. Savings Bonds
