Charlotte Bunch Given Scholarship

Popular Local Girl Will Enter Woman's College at Greensboro

Miss Charlotte Bunch, daughter of Register of Deeds and Mrs. Maurice L. Bunch, has been awarded a four-year scholarship at Woman's College of the University of North Carolina, the award being made by the North Carolina Veterans Commission and announced by Stephen Alford of Elizabeth City.

The scholarship was one of 10 awarded in North Carolina this year to children of veterans with 30 per cent or more disability. The scholarship pays all tuition, fees, room and board for a four year course.

Mr. Alford stated that students who are children of disabled or deceased veterans can secure necessary information for making applications for scholarships at his office in the Kramer Building in Elizabeth City.

Cecil W. Fry New Teacher In Edenton

Effort Now Under Way To Find House For New Family

Cecil W. Fry of Raleigh has been employed to teach Industrial Arts in the Edenton High School. Mr. Fry is a graduate of North Carolina State College and a veteran of World War II. He comes highly recommended by Dr. John R. Ludington, Professor of Industrial Arts Education and State Supervisor. Edward W. Boshart, former head of the Industrial Arts Department at State College, also recommends Mr. Fry very highly. Mr. Fry played football at North Carolina State College before the war.

Mr. Fry is married and has two children. It will be necessary for him to have a house or an apartment. He prefers a downstairs apartment if he cannot find a house. Anyone who knows of a house that will be available by the first of September is requested to communicate with Superintendent John A. Holmes.

ENGAGEMENT ANNOUNCED

Mr. Elliott is the son of Mr. and Mrs. William O. Elliott. The wedding will take place on September 7. Miss Shaw is at present assistant home demonstration agent in Chowan County.

Methodist Picnic Next Wednesday

Youngsters Will Enjoy Afternoon at Swimming Pool

Plans are about complete for a picnic to be held by the Methodist Church school next Wednesday afternoon, August 27. Those attending are requested to meet at the church at 3 o'clock, from where the group will be taken to the swimming pool at the Naval Air Station. The youngsters will enjoy bathing in the pool, after which a picnic lunch will be served outdoors and other games enjoyed. Everyone attending is asked to bring lunch and drinks will be provided.

Arrangements have been made to have a group of adult members of the school present at the pool to look after the youngsters, as well as a group of Boy Scouts, so that with these being on hand, together with the regular life guards, ample protection will be provided to prevent any accident in the water. Members of the school will not be obliged to pay the fee for use of the pool, this expense being taken care of by the Church school, so that it is hoped many members of the school will attend the picnic.

METHODIST SERVICES

Preaching service will be held in the Methodist Church Sunday morning at 11 o'clock, at which time the pastor, the Rev. H. F. Surratt, will preach on the subject "The Demand For Reality". Church School will be held at 9:45 o'clock Sunday morning, the Youth Fellowship meeting at 7 o'clock Sunday night, and the mid-week prayer service Wednesday night at 8 o'clock.

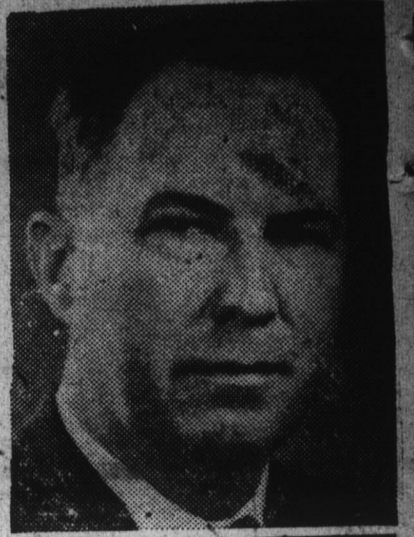

Colored Pictures Of Peanut Operations Taken In Chowan

Group of Slides Will Be Used For Educational Meetings In State

A series of colored pictures is being taken of the various operations involved in peanut production with 4-H club peanut growers in Chowan County. These pictures started with the land before the first breaking was made and involves the following steps thus far: selection of the acre, taking of the soil sample for testing, applying lime, soil preparation, selection of good seed, treating seed, planting, cultivation, dusting with sulphur to control the leaf-spot disease, applying landplaster and the last cultivation.

Final pictures will be taken at harvest and selling. L. R. Harrill, State 4-H Club leader, is assisting with the pictures and plans to make a set of slides for educational meetings on peanut growing. Sherwood Chesson of the Edenton 4-H Club is the member being used.
