

## Edenton Aces Win From New Bern 14-0

### Local Outfit Easily Outplay Visitors Friday Night

Continuing their improved brand of football, the Edenton Aces on Friday night easily outclassed New Bern High School on Hicks Field by a score of 14-0. The Aces were superior in every department of the game, registering 14 first downs to five for the visitors.

In the first quarter the Aces rolled up five first downs, the first play of the game netting 25 yards when Russell Wheeler snagged a pass. Jack Habit and Bobby Byrum then added another first down, but with the ball on the New Bern 28-yard line, the Aces lost the ball on downs. In three plays the New Bern Bears chalked up their only first down of the quarter, but were forced to punt. Habit picked up two yards and Byrum then lacked only two inches of a first down. Habit plunged through the line for the down. Whitson then picked up

9½ yards but Edenton fumbled. New Bern was forced to punt and with the ball on the Aces' own 31, Wheeler gained 8 yards and on the next play got off for a 25-yard jaunt. A pass to Wheeler netted a first down and he picked up five yards as the quarter ended.

Starting the second quarter Byrum bulled his way to the 5-yard line and first down. Habit gained a yard and Wheeler two, when Wheeler went over the pay-off stripe standing up. Byrum broke through the line for extra point.

During the remainder of the quarter the ball see-sawed back and forth with each team fumbling once. The Aces made three first downs and New Bern two, one being by way of the Statue of Liberty play.

In the third quarter the two teams played on even terms, with neither seriously threatening to score. New Bern registered one first down, while the Aces were unable to chalk up any.

The Aces took on new life in the final period, chalking up six first downs. With the ball on their own 25-yard line, Habit went for a first down and in turn Wheeler registered another. Wheeler and Habit together added another, when Wheeler passed to Goodwin for the second touchdown. Wheeler cracked the New Bern line for extra point, making the score 14-0.

The Aces threatened again late in the quarter when Habit intercepted a pass and ran 30 yards before he was hauled down. However, the Aces drew a 30-yard penalty and when Goodwin snagged a pass for a first down the final whistle blew. Billy Altman was sent in during the latter part of the game and made two nice runs, one of which was a first down.

On defense, George Habit played an

exceptionally brilliant game, taking out would-be tacklers on every play and at one time preventing three New Bern Bears from getting their hands on an Edenton runner. The entire line played heads-up ball, while the backfield, too, displayed a great deal of power and elusiveness.

### Scouting With 156

By Charles Lee Overman  
On Monday, November 3, Troop 156 held its weekly meeting which was opened with giving the Scout Oath and Pledge of Allegiance, which was followed with inspection.

The troop first assembled and dressed properly in Scout uniform a dummy called "Tenderfoot Tim," pointing out as he was dressed the main parts of the uniform.

C. W. Overman directed a game called "Find the Compass Point" which taught the boys the parts of the compass. The first half of the game was won by the Lion Patrol and the last half by the Weasel Patrol.

The annual election of troop officers resulted as follows: Jack Habit, Jr., assistant scoutmaster; Frank Habit, senior patrol leader; John Ward, scribe and treasurer; Frank Hughes, Jr., quartermaster; Charles Lee Overman, reporter and William Crumney, Jr., cheer leader.

Present at the meeting was Bill Warren, field Scout executive. The meeting closed with the Scoutmaster's benediction and a song.

## J. M. Broughton Files For U. S. Senate Seat

### Former Governor Plans To Visit Every Section of State

"I will be a candidate for the United States Senate in the Democratic primary next May," stated former Governor J. Melville Broughton early this week. "Notice of my candidacy has been filed with the State Board of Elections."

"It is still more than six months before the primary and I do not contemplate beginning at this time any intensive campaign. The grave and disturbing international and domestic problems of the moment are such as to make untimely and undesirable any long-drawn-out political contest."

"In the course of the campaign next spring, I shall endeavor to visit every section of the State and will discuss the problems of greatest concern to the people of the State and nation."

"During my term of office as Governor of North Carolina I endeavored to serve the people of the State to the best of my ability. That record is before the people. Education, public health, agriculture and the industrial development of the resources of the State were the subjects to which I gave particular emphasis. The progress made is a matter of record. On this record and upon a pledge of continued, active interest in these and other causes of vital concern, I shall confidently submit my candidacy to the people."

"The people of the State will determine whether or not my experience and service as Governor, legislator and in other public capacities qualify me to serve as their representative in the Senate of the United States. My campaign will be addressed to the people. Gubernatorial appointment, under the statute, has filled the temporary vacancy caused by death; but only the people by their votes can decide who will represent them in the Senate for the full term."

"If I am nominated and elected, as I confidently expect to be, I will owe no allegiance except to the people. To their service and to the national welfare I will dedicate all the energy and ability that I possess."

## Up-County Citizens Seeking Repairs To Mavaton-Tyner Road

### Petition Signed By 71 Citizens Affected By Conditions

Chowan County Commissioners were presented a petition from up-county citizens Monday in which com-

plaint was registered about the deplorable condition and neglect of the road beginning at Mavaton and leading to Tyner. It was pointed out that the road is used by three school buses and much other traffic, and that only recently several children were injured when a bus slid from the road. The petition was signed by 71 citizens living in the neighborhood of the road, as well as members of the County Board of Education.

The Commissioners promised the delegation that the information will be forwarded to Merrill Evans, State Highway chairman for the district in the hope that conditions will be remedied by the State.

### BIRTH ANNOUNCEMENT

Born to Mr. and Mrs. J. D. Elliott, Wednesday night, October 29, at the Chowan Hospital, a son, J. D. Elliott, Jr. The youngster weighed 8 pounds, 5½ ounces.

## Sentinels of Health

### Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out. Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed by the country over. Insist on Doan's. Sold at all drug stores.
