

Binghamton Triplets Again Pick Edenton For Spring Training

Express Desire to Return In Letter to Local C. of C.

At the Town Council meeting Monday night permission was granted the Binghamton baseball club of the Eastern League to use Hicks Field as spring training quarters. The club has trained in Edenton several years and in a recent letter to the Chamber of Commerce expressed a desire to return.

The Councilmen agreed to allow the use of the baseball field free of charge by the New York outfit, but felt that with the diamond in good shape, it should not be necessary to expect the Town to furnish any labor for the usual work necessary while using the field.

"Search your closets, attics, chests and every nook and corner for such articles. Any type of clothing is needed. All clothing must be in reasonable good repair and must be clean. Do not bring in rags or articles that are beyond repair and which can't be worn or used."
