Infantry Division Is Seeking Musicians

Musicians are in great demand at the fifth infantry division at Fort Jackson, according to an announcement made by Master Sergeant C. B. Cayton, commanding officer of the Elizabeth City sub-station of the United States Army and United States Air Force Recruiting Service.

Sgt. Cayton states that he has received authorization to enlist certain musicians for direct assignment to the fifth infantry division band, and urges all qualified men to contact the local recruiting sub-station at once as these vacancies will probably be filled rapidly.

At the present time there are openings for men qualified to play the following instruments: bassoon, clarinet, cornet or trumpet, flute or piccolo, euphonium or baritone, french horn, glockenspiel, oboe, saxophone, trombone and tuba.

Sergeant Cayton states that former servicemen, who are skilled on one of the above instruments, will be sent direct to duty with the band. Men with no prior service will be assigned to the band for duty after they have completed their course of basic training.

High School News

BY NANCY MAE BOSWELL
Thursday morning after Aubrey Harrell gave a report on the Student Council Convention held at Rocky Mount, Harold Webb announced that our student body wanted a new Alma Mater. The sextet sang the proposed selection and the student body accepted it willingly Monday. The old school song will still be used however, but the new one will be used for rather formal occasions.

The Sophomore Class is very proud to announce that this year's May Day king and queen are Patsy Taylor and Russell Wheeler. Jean Jones of the Freshman class won a maid-of-honor. This will be quite an affair for the Edenton High School baseball team opposes the Elizabeth City team the same night.

On March 17 the third year Home Economics girls entertained their mothers at a Kitchen Party in the Home Economics Department. A St. Patrick's Day theme was carried out.

Cub Scouts Lose One But Add Another One

Clifford Overman Graduates From Pack at Meeting Tonight

When the Cubs and parents of Cub Scout Pack 159 meet tonight (Thursday) at 7:30 o'clock they will take part in an event that has occurred but once or twice before in the history of this Pack. While the Pack will lose one of its members it will gain a new member to replace him.

Tonight Clifford Overman will receive the highest of awards in Cub Scouting—the rank of Webelos. As Clifford has just become 12 years of age he will graduate from Cubbing and proceed with his work in Scouting by becoming a Boy Scout. He will be welcomed into the Boy Scouts by his future Scoutmaster, his father, Charles W. Overman, and by the patrol leaders of the Scout patrol he is to join.

While Clifford is leaving the top of the ladder, his place will be filled by the initiation into the Cub Scouts of Eric Johnson, son of Mr. and Mrs. A. A. Johnson. "Eric's climb will be long and steep if he is to take the place of Clifford," says Cubmaster Clarence M. Speight.

Group Seniors Support President's Program

According to coach Tex Lindsay, all of the senior students in his sociology class which he teaches, with the exception of one, voted for universal military training, the draft and the Marshall plan as outlined in President Truman's recent message to the nation. The poll of the class was taken Tuesday.

"This is rather significant," says Mr. Lindsay, "in view of the fact that the youngsters are either within the age bracket or will soon be old enough to be affected."
